RECIPE FOR HOMECOMING

Combine the following ingredients;

*1 tug-o-war
1 4-legged race
1 ice cream pigout
1 formal dress-up day*

Mix into batter of one fun-filled week of spirit.

Next sift into one large Mt. Rainier gym;

*1 dash alumni
1 tbsp. Seniors
1 tsp. Juniors
1 pinch Sophomores*

Fold in;

*1 Starfire band
1 M.R. Ensemble
1 Jazz dance
1 vocal Feelin' Good
2 gymnasts
10 macho men*

Expectantly let rise for 35 minutes. Wait 20 more seconds in anticipation - quickly stir in;

*tears of surprise

Bring to boiling point; and add one victorious Mt. Rainier football team.

Lastly include;

*2 hours of primping
1 ½ hours elegant dining
3 hours dancing to Clear Logic*

All ingredients mixed together makes one glorious evening for wishing on a star.

Ram Football "78"

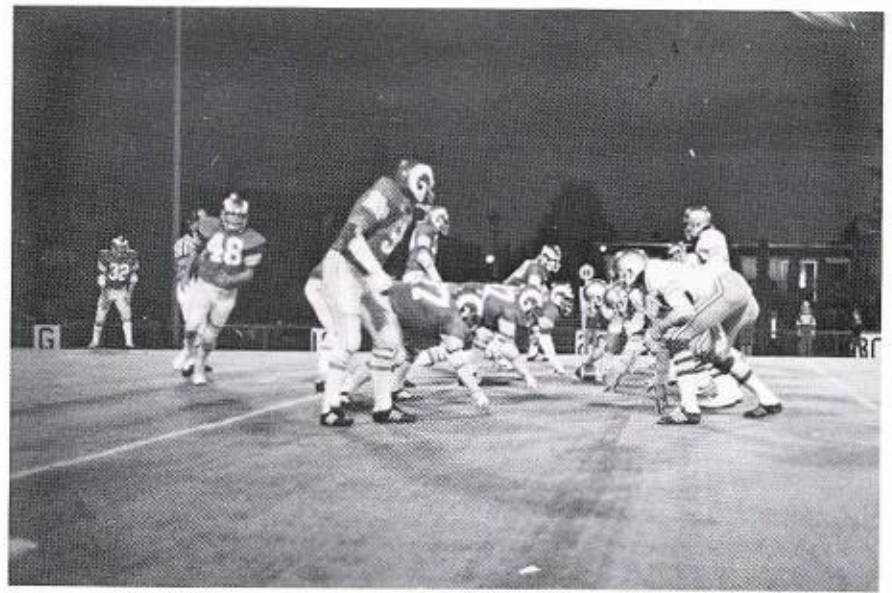

The '78 version of the Rams opened up the season with a convincing 12-0 victory over Lindberg. From there on out, the Rams made the season exciting, although the injuries to key players hampered their performances. Among the injured was two year all-NPSL split end, Phil Briggs. The leading rusher for the Rams this season was Kevin Budworth, closely followed by fullback Dewayne Gleason. One of the highlights of the season was a 74-yard punt return by sophomore Kerry Moore for a T.D.

Defensively, Dennis Erickson, led the Rams at nose-guard with 114 tackles, and 2 pass interceptions.

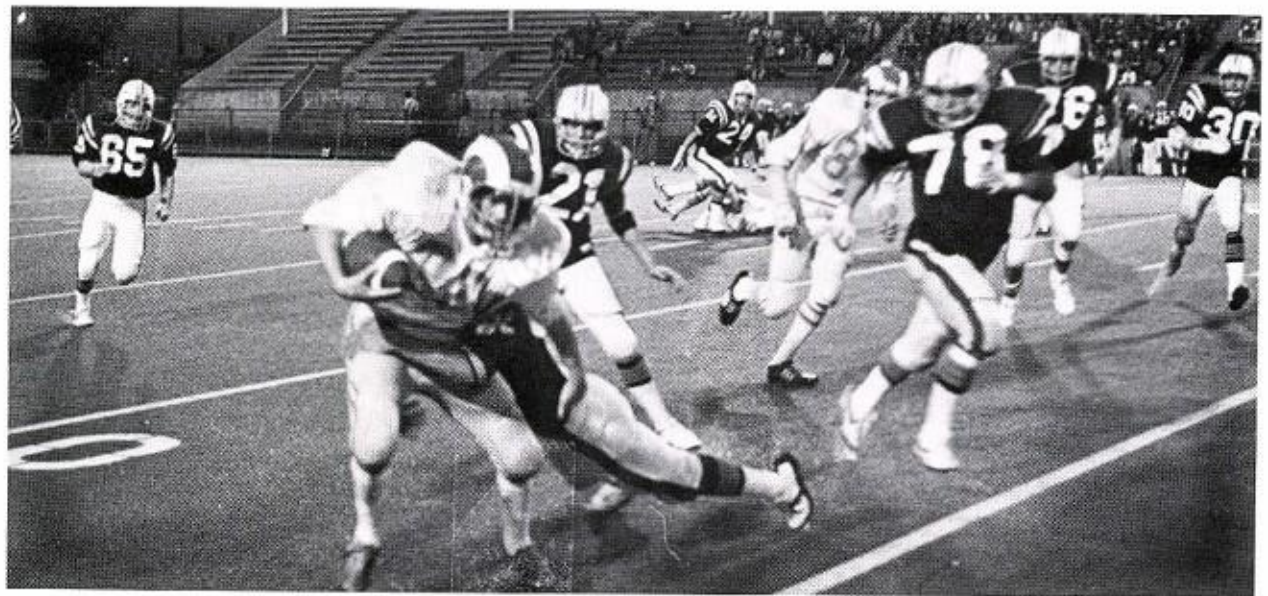

The Rams Coaching Staff was led by head-coach, Greg Flynn, linecoach, Jim Glennon, defensive coach, William Kemp, J.V. coaches, Jerry Dotson and Ernie Ronia.

The managers included trainer Darrick Holte, John Winn, and Steve. Statisticians were head stat Shari Barnes, Janeil Miller, Kathy Unser, and Margot Prichard.

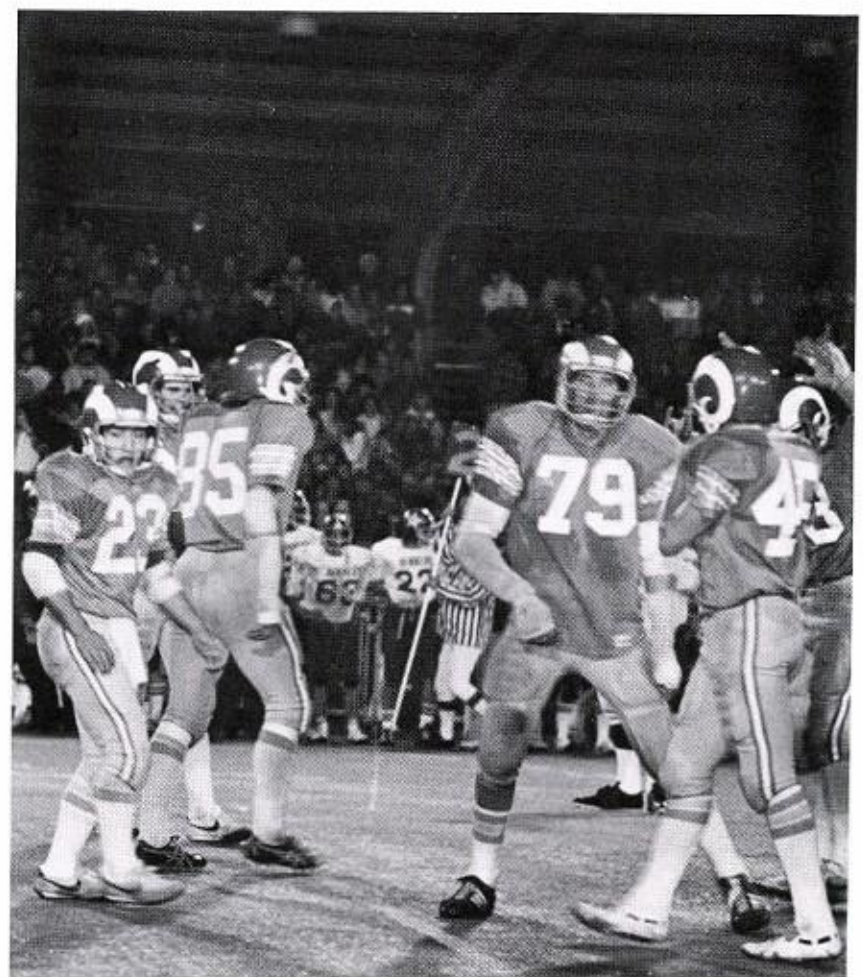

At the annual Football Banquet, Dennis Erickson was voted most valuable, John Webster most improved, Eric Barrett and Chuck Clawson most inspirational, and Dennis Erickson and Chuck Clawson were as team captains of the 78-79 season.

JV Football

J. V. Sports, restored this year in the highline School District by the passage of the levy, brought back Junior Varsity Football to Mr. Rainier. A J.V. team, consisting of mostly sophomores, rolled to a promising (5-4) win-loss record. The sophomores showed an abundance of talents and desire this year, so they will be looking for success in years to come.

Ram Golfers Putt All They've Got Into It!

78-79 RAM GOLFERS: Ron Averill, Jeff Belvill, Mark Fickes, John Finigan, Lani Haili, Terey Jennings, Mark Keaty, Kelly Markley, Steve McNew, Shannan Pitt, Greg Schumacher, Randi Schwartz, Keith Wise, Bryon Yager

This year's golf team, led by coach Mel Command, had a swinging season. They were quite successful with a season record of 6-4, and a league record of 5-4, also, the two top players of the team, Mark Fickes and Ron Averill, represented Mt. Rainier well at the N.P.S.L. Tournament. They received the Medalist Awards at the Mt. Rainier Banquet. Terey Jennings was voted the Captain's Award.

The team had a strong determination to win. Whenever the match got close, the Rams always pulled away with a winning finish.

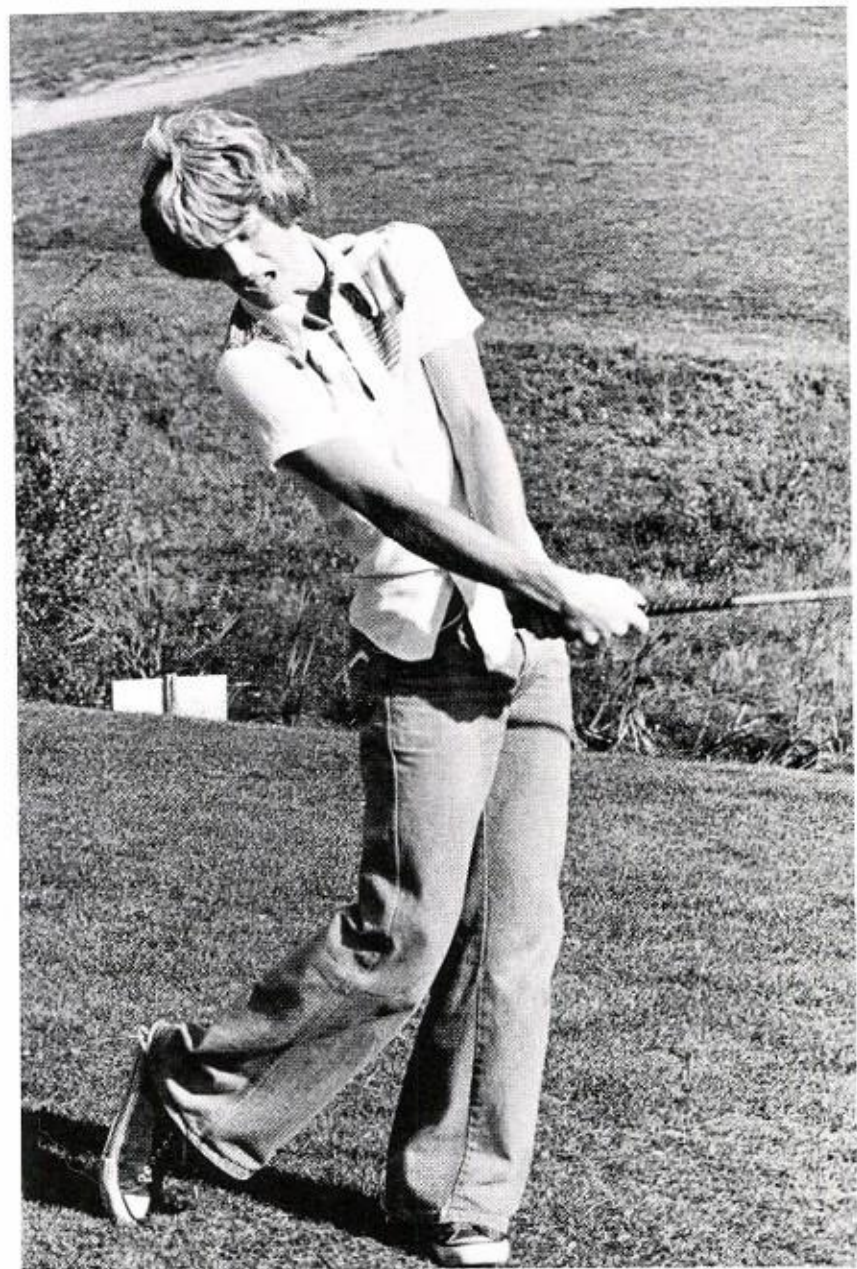

The last match proved to be the most exciting. The team scored their highest total for the whole season, and two players also carded their season highs.

Next year's team will be very good with the return of this year's Junior Varsity members, who did very well with a fine 7-3 record. This team's spirit and individual effort in both Varsity and Junior Varsity proved to be the strongest aspect of the 78-79 Ram Golfers.

SWIMMER'S OUTPUT

This year's Rainier Girl's Swim was led by Coach Paula Stokke and a great Team Captain, Becky Perrine. An outstanding effort was put out by this years exciting team. Even though only 1 meet was won, the girls had the experience of real team work. Coach Stokke was encouraged by the spirit that was shown throughout the season.

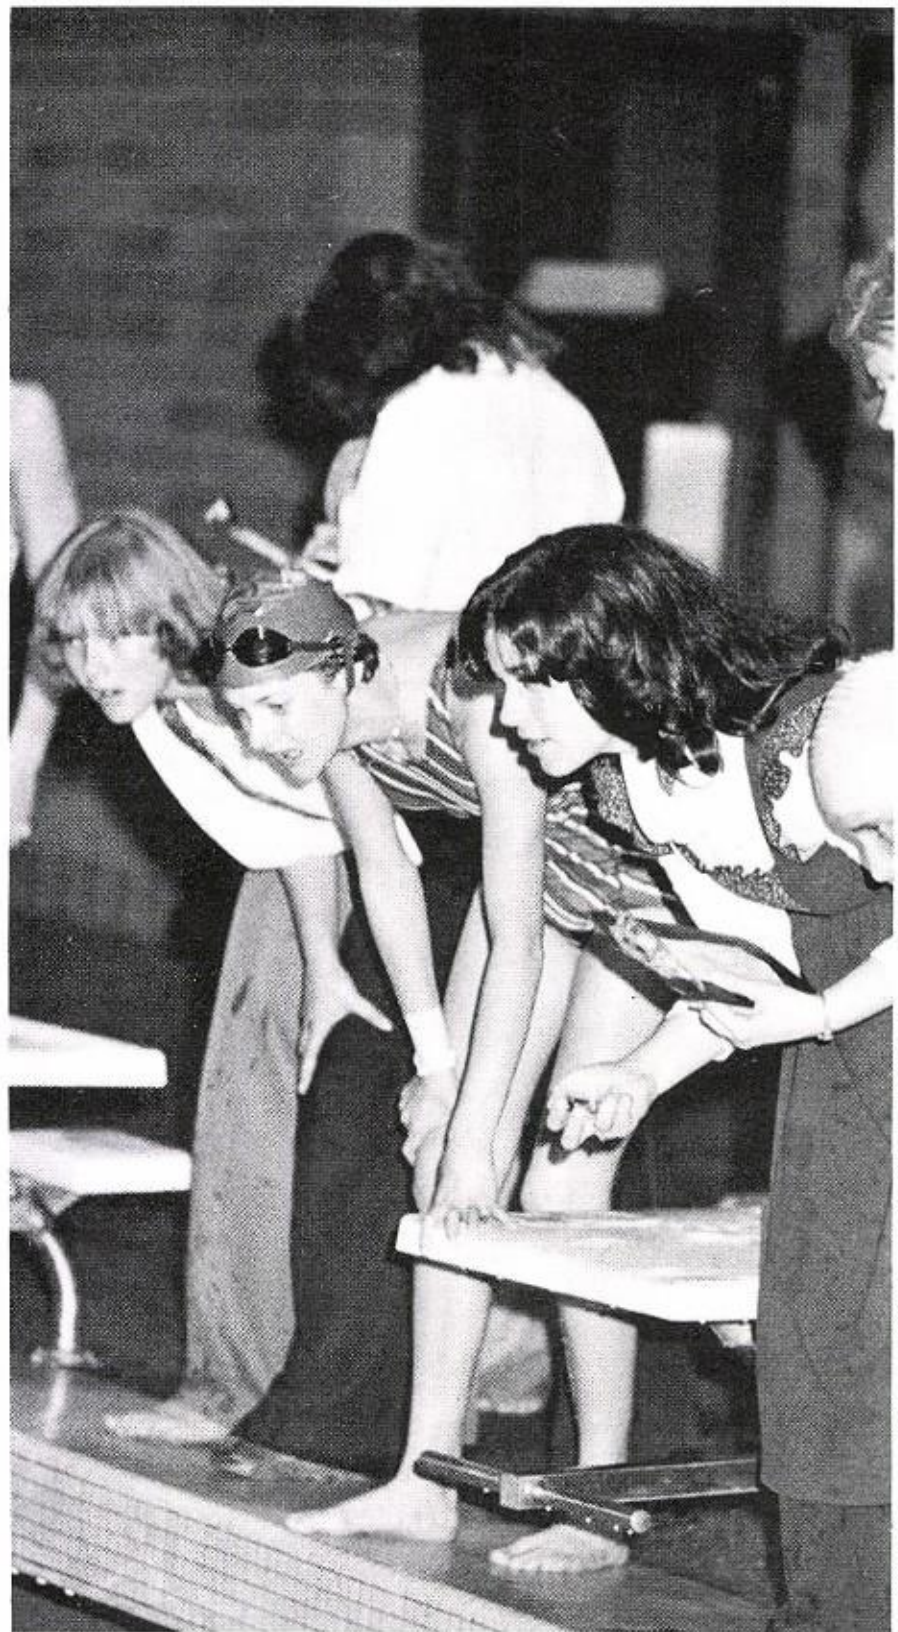

The addition of ninth grade girls will help the outlook for future years of Rainier Girl's Swimming. Diving was shown by only one girl, Deena Barrett, and her determination gave strength to the team as a whole. At this year's banquet, awards were given to one junior and one sophomore. Most Improved was awarded to Carrie Edmiston, and Inspirational went to a deserving Deena Barrett. An award should be given to the team as a whole for their outstanding performance and dedication. Thank-you Ram Swimmers! Good Luck!

ENDURANCE WITH A SMILE . . .

Cross Country is a sport that takes a great deal of dedication and endurance. Mr. Cordes, Mt. Rainier's new cross country coach, holds this position for the first time. With the potential that was shown this season, Coach Cordes, is looking forward to a team that is "tough to beat" next year.

Quality individual achievements were demonstrated by Julia Bitzes voted most inspirational, Dave Mayer voted most improved and Darrell Godfrey voted next year's team captain.

VOLLEYBALL '78

This year's team was relatively young with only 5 returning players: Crystal Hamilton, Pam Gossman, Kristi Rasmussen, Diane Kawabata and Lori Wellman. Along with gaining many new players, they also gained Mr. Hutcheson as their new coach. The team consisted of mostly sophomores and juniors with only three seniors. Because of their strong defense and excellent serving record, competitiveness was shown throughout the season. Next year, Coach Hutcheson is looking forward to a competitive year. Individual accomplishments were demonstrated by Pam Gossman, voted Most Valuable player, Jane Jones for Most Improved and Cindy Breed for Captain and Inspirational.

Our wild and crazy Cheer staff

Little known to the majority of the student body, the cheerleaders began their hard-working year long before September. The girls spent a week of their summer vacation in Ellensburg at Cheer Camp. From their outstanding performance, Mount Rainier has much of which to be proud. The girls were rated five superiors and one excellent on cheer and leadership abilities. This was a fantastic way to kick-off the year. "The High School Dance," sponsored by the cheer staff, aided the student body in getting reacquainted after three months of summer vacation. Our cheer staff was also honored to be chosen by the Tacoma News Tribune to be a part of an article written on today's cheerleader. Throughout the year the cheer staff was successful in encouraging unity and school spirit among our diverse student body. This success was attributable to an excellent advisor, Mr. Terry Farris, and continuous enthusiasm and diligent work on the part of the girls.

Mt. Rainier's Ramlin' Bands have really been on the move. The highlight of the year's activities was marching in the halftime of the Homecoming Game. Much effort has been given by Mr. VanGasken, the band director. Mrs. Thynes, a student director, has also helped make everything fall into place. This enthusiastic group has been raising money by selling jewelry, having car washes, and bake sales to buy new uniforms and help with expenses towards their trip to Victoria B.C. They proudly represent Mt. Rainier by marching in the Victorian Days parade. Their school spirit is shown at games, assemblies, and other activities. Let's hope that the impression this band department has left will continue for bands to come. Good going class!

Mt Rainiers

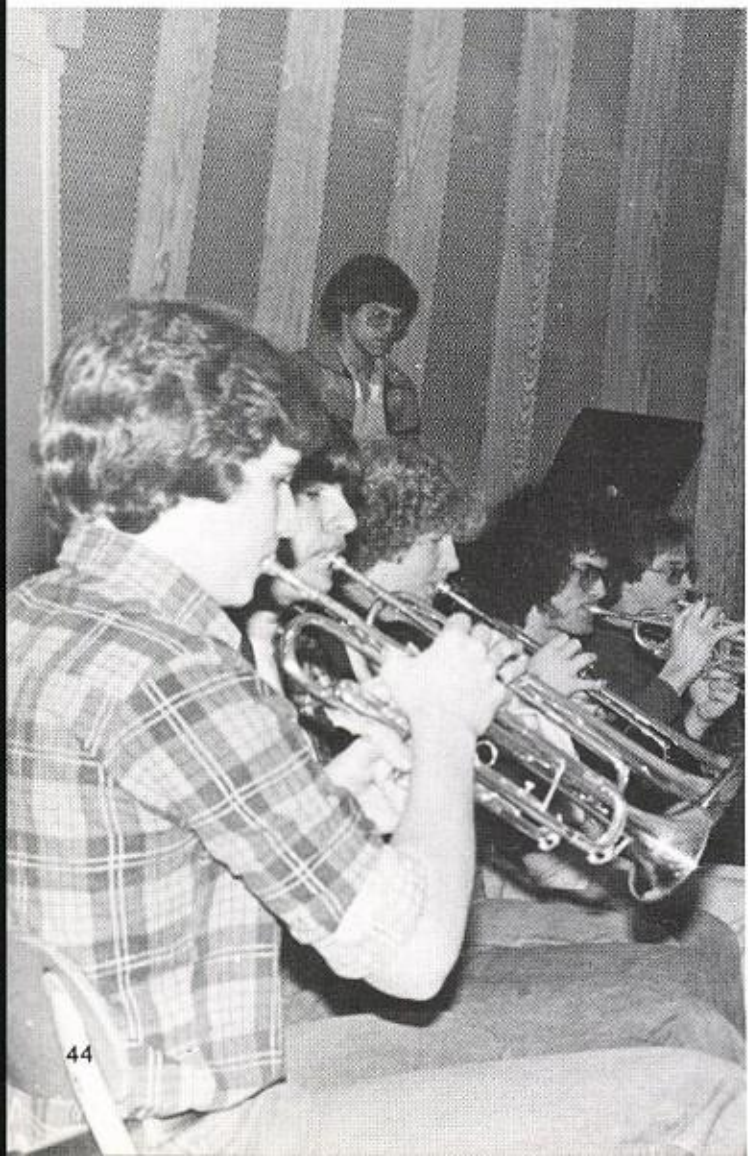

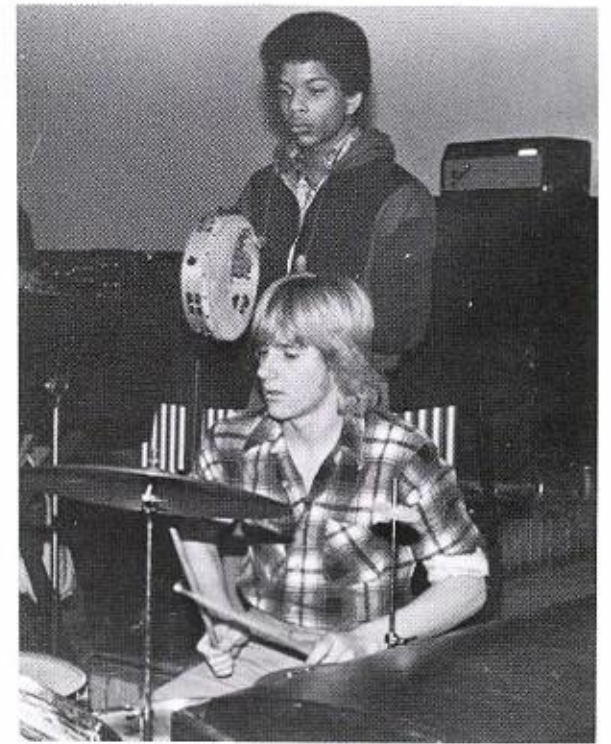

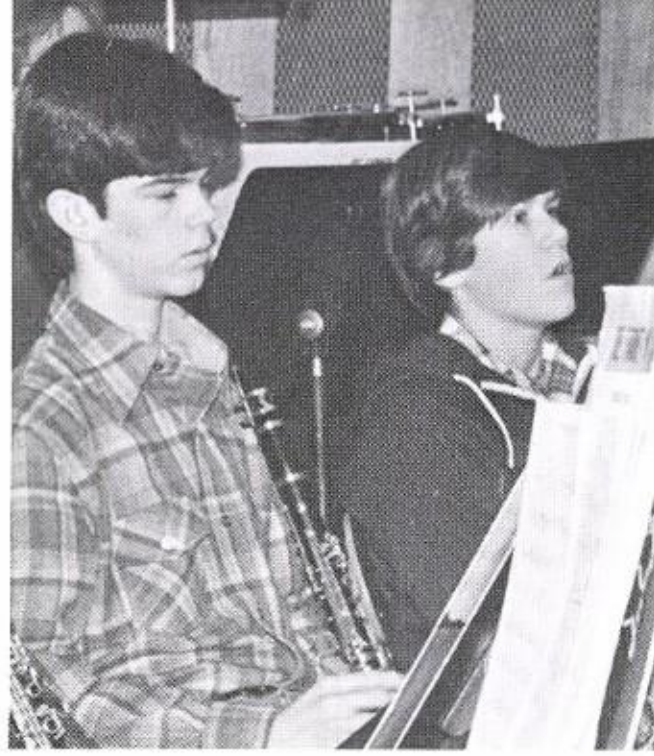

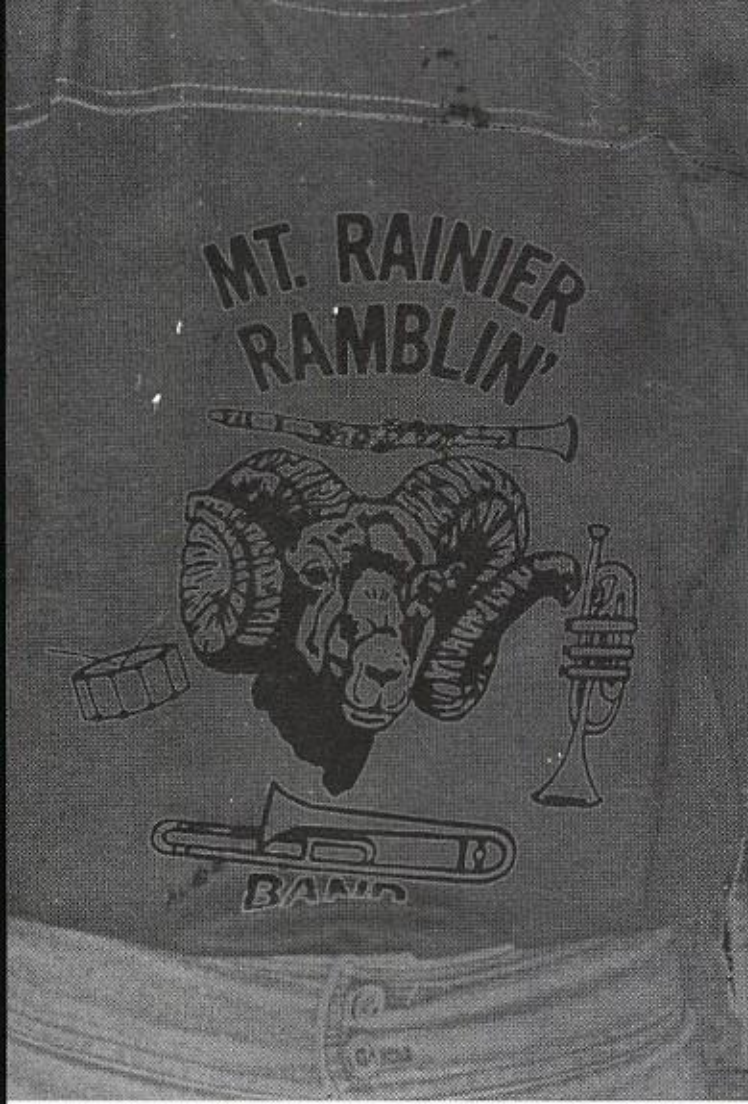

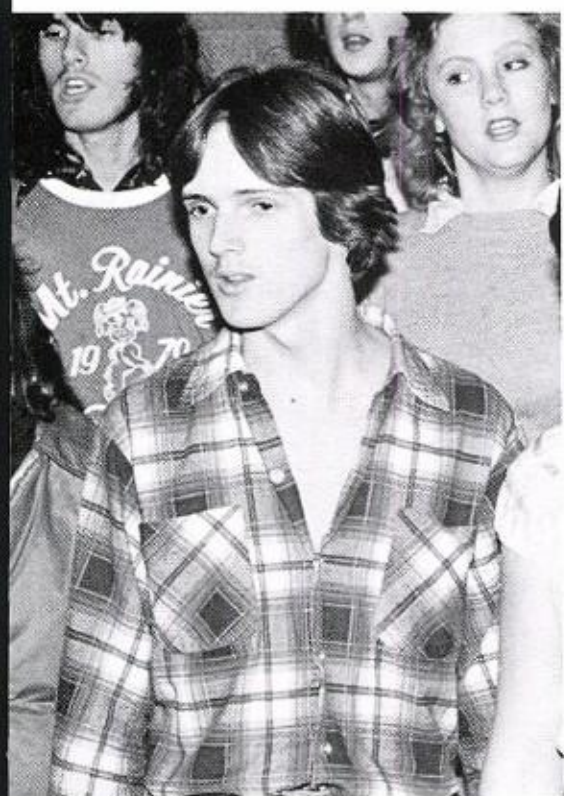

This year the music department is fortunate to have Mrs. Thynes as a student director. She is from Seattle Pacific University and will be here all year. She is an inspiration and a lot of help. Welcome to the world of music at M.R.H.S., Mrs. Thynes.

STAND WELL BACK...

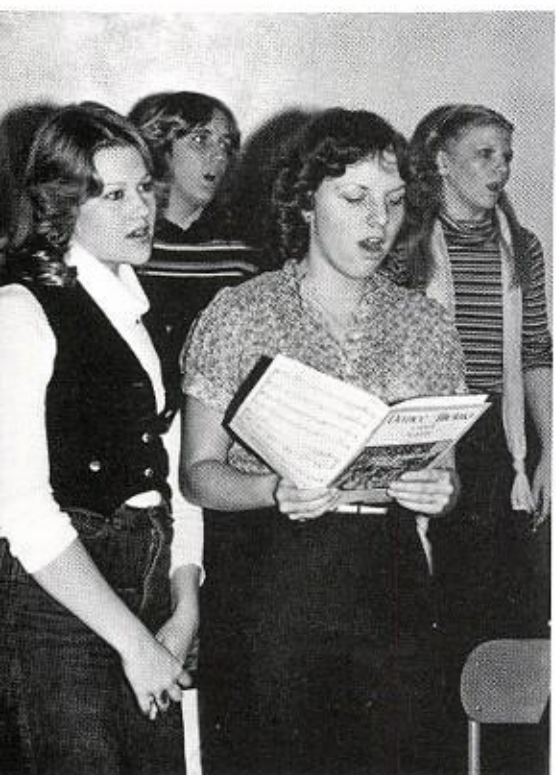

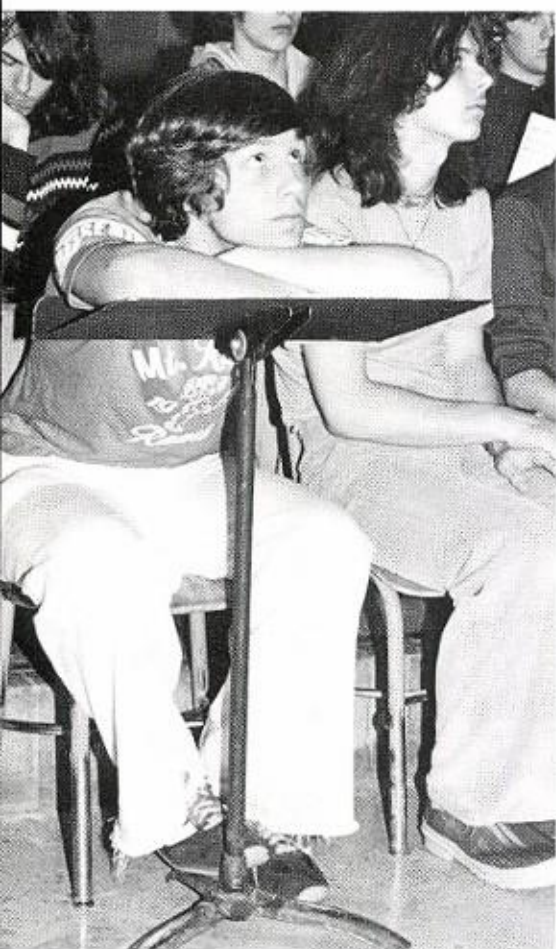

With Mr. Bob Cuffel at the wheel again, Mount Rainier's Vocal Ensemble got off to a running start and picked up speed throughout the year. There were a few squeaks, squawks, and funny noises during rehearsals, but all the unwanted sounds disappeared during the performances.

They went on tour, to contest, performed at concerts and even at a feed store. With a wide range of music, including Jazz, Blues and Disco, the group performed well at every showing.

This year's concert choir had much to sing about. After a two year leave of absence from Mount Rainier, Mr. Bob Cuffel returned to direct the group to new and exciting dimensions. Musical events, including seasonal concerts and contests, were the focal points of the group's performances. All this and more kept the choir's voices echoing through the halls.

Drama

Under the guidance of Mr. Michael Fuller, this years Drama class learned more than just "acting." They studied many different aspects of theater including, make up, pantomime, history of theater, scripting, and directing. Mr. Fuller also created an atmosphere in which the students were able to trust one another. This trust enabled them to share their hidden creativity. Environment, encouraged, by Mr. Fuller resulted in a successful year for the Drama department.

Older and younger "see the light"

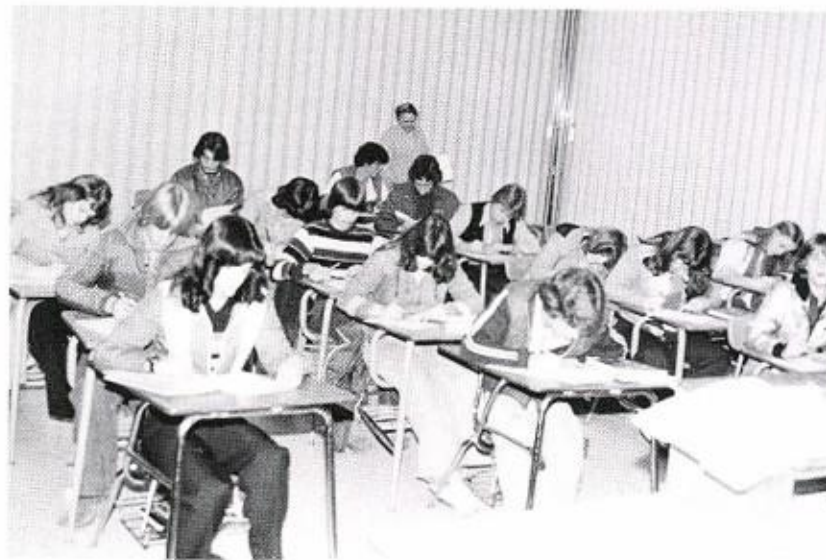

The Reading Tutor Program has as its goal, to assist the reluctant readers from Midway School to feel good about improving their reading skills. The "Olders", students from Mt. Rainier, are an important part of the program. They tutor youngers in all the language arts areas. The best part of the program is the friendship that develops between students.

Driver' Education (better known as)

Driver's Education is not just a program to learn how to drive, but a warning for people to stay off the streets! It is also the biggest necessity of a high school student. Driver's Ed allows students to obtain a license before they are 18. It offers classroom with exciting lectures and terrific tests and simulator, which supposedly gives similar driving experience. And then comes the biggy, the actual on-the-road driving. Haven't you ever wondered why they are always using new cars? After being in Driver's Ed, you'll understand!!

20th Anniversary

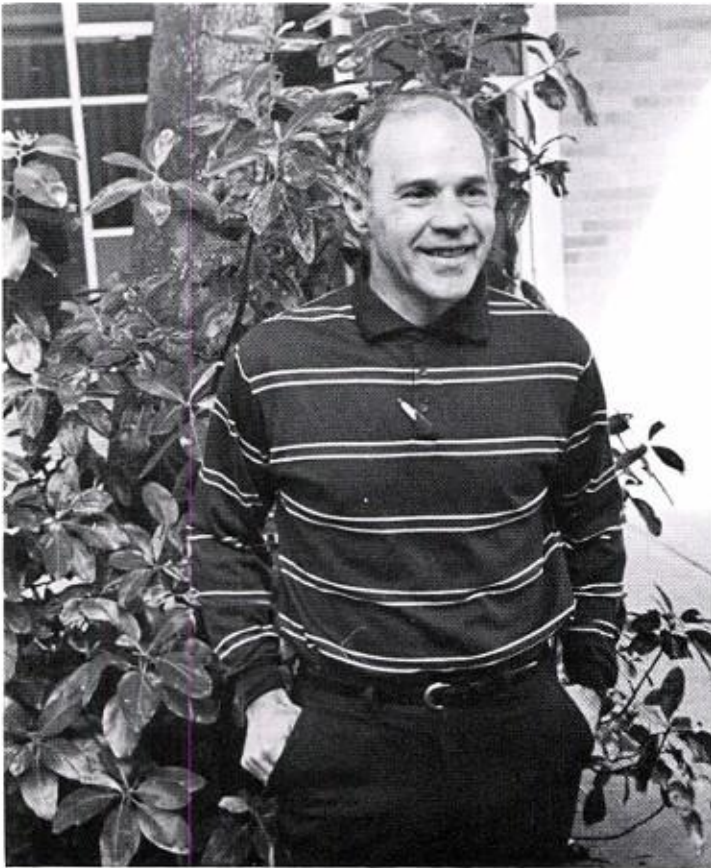

This years annual staff would like to pay special tribute to those teachers who have remained at Mt. Rainier since 1958. With their sincere dedication and hard work, Mt. Rainier has grown to be a truly fine school. "Hats off", and a big thank-you to these teachers.

Mr. Dennis Bernard attended the University of Washington and the University of California. He has remained at Mt. Rainier since 1958 because of the high academic standards and the most supportive administration and faculty. When asked what question he encountered from a student that was the most humorous, he replied: "Mr. Bernard, are these books kept in any special order?"

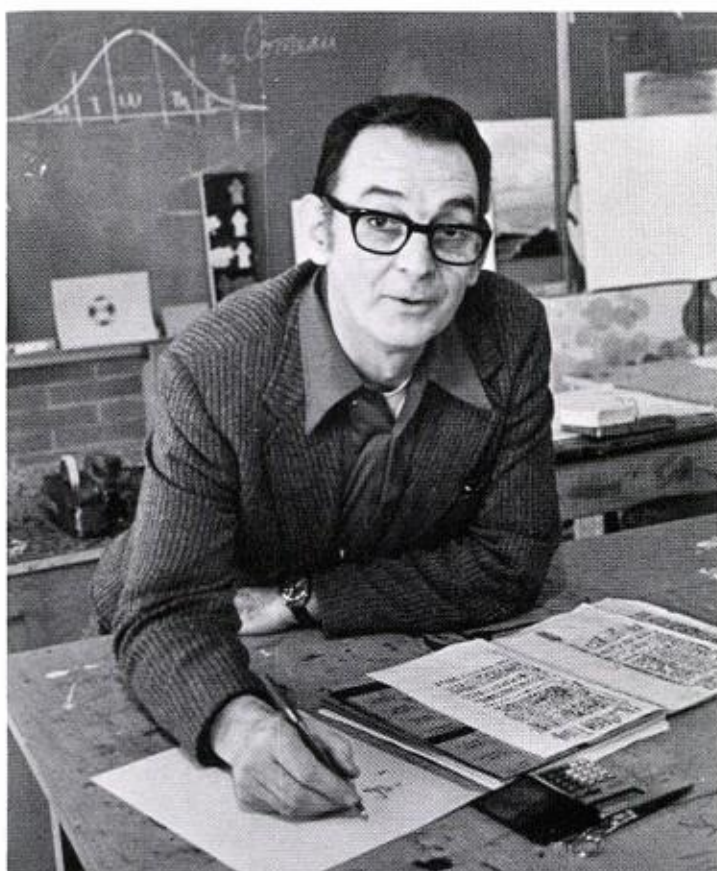

Mrs. Marty Kemp attended Whitman College, Washington State University, and the University of Washington. Mrs. Kemp has remained at Mt. Rainier because of her feeling of pride in watching the school develop. The opportunity, experience, and challenge of opening a new school was exciting for Mrs. Kemp. She said, when the school opened, only the 100 and 200 buildings were ready for occupancy. Also, the opening assembly was held in the library and until the cafeteria was completed the students ate lunch in their classrooms. Obviously her influence has enabled Mt. Rainier to grow in quality and quantity.

Mr. Jerome Kinsey did his graduate work at the University of Idaho. Since that time he has also attended Grays Harbor College, Highline College, Western Washington University, Central Washington University, University of Washington, East Carolina University and North Texas State University. After touring the United States, Mr. Kinsey's thought opening a new school like Mt. Rainier would be exciting. One of Mr. Kinsey's favorite pranks was the effigy of an opposing football player hanging 125 feet up in the air. His most rewarding experience has been the success as they pursued higher education and professional careers.

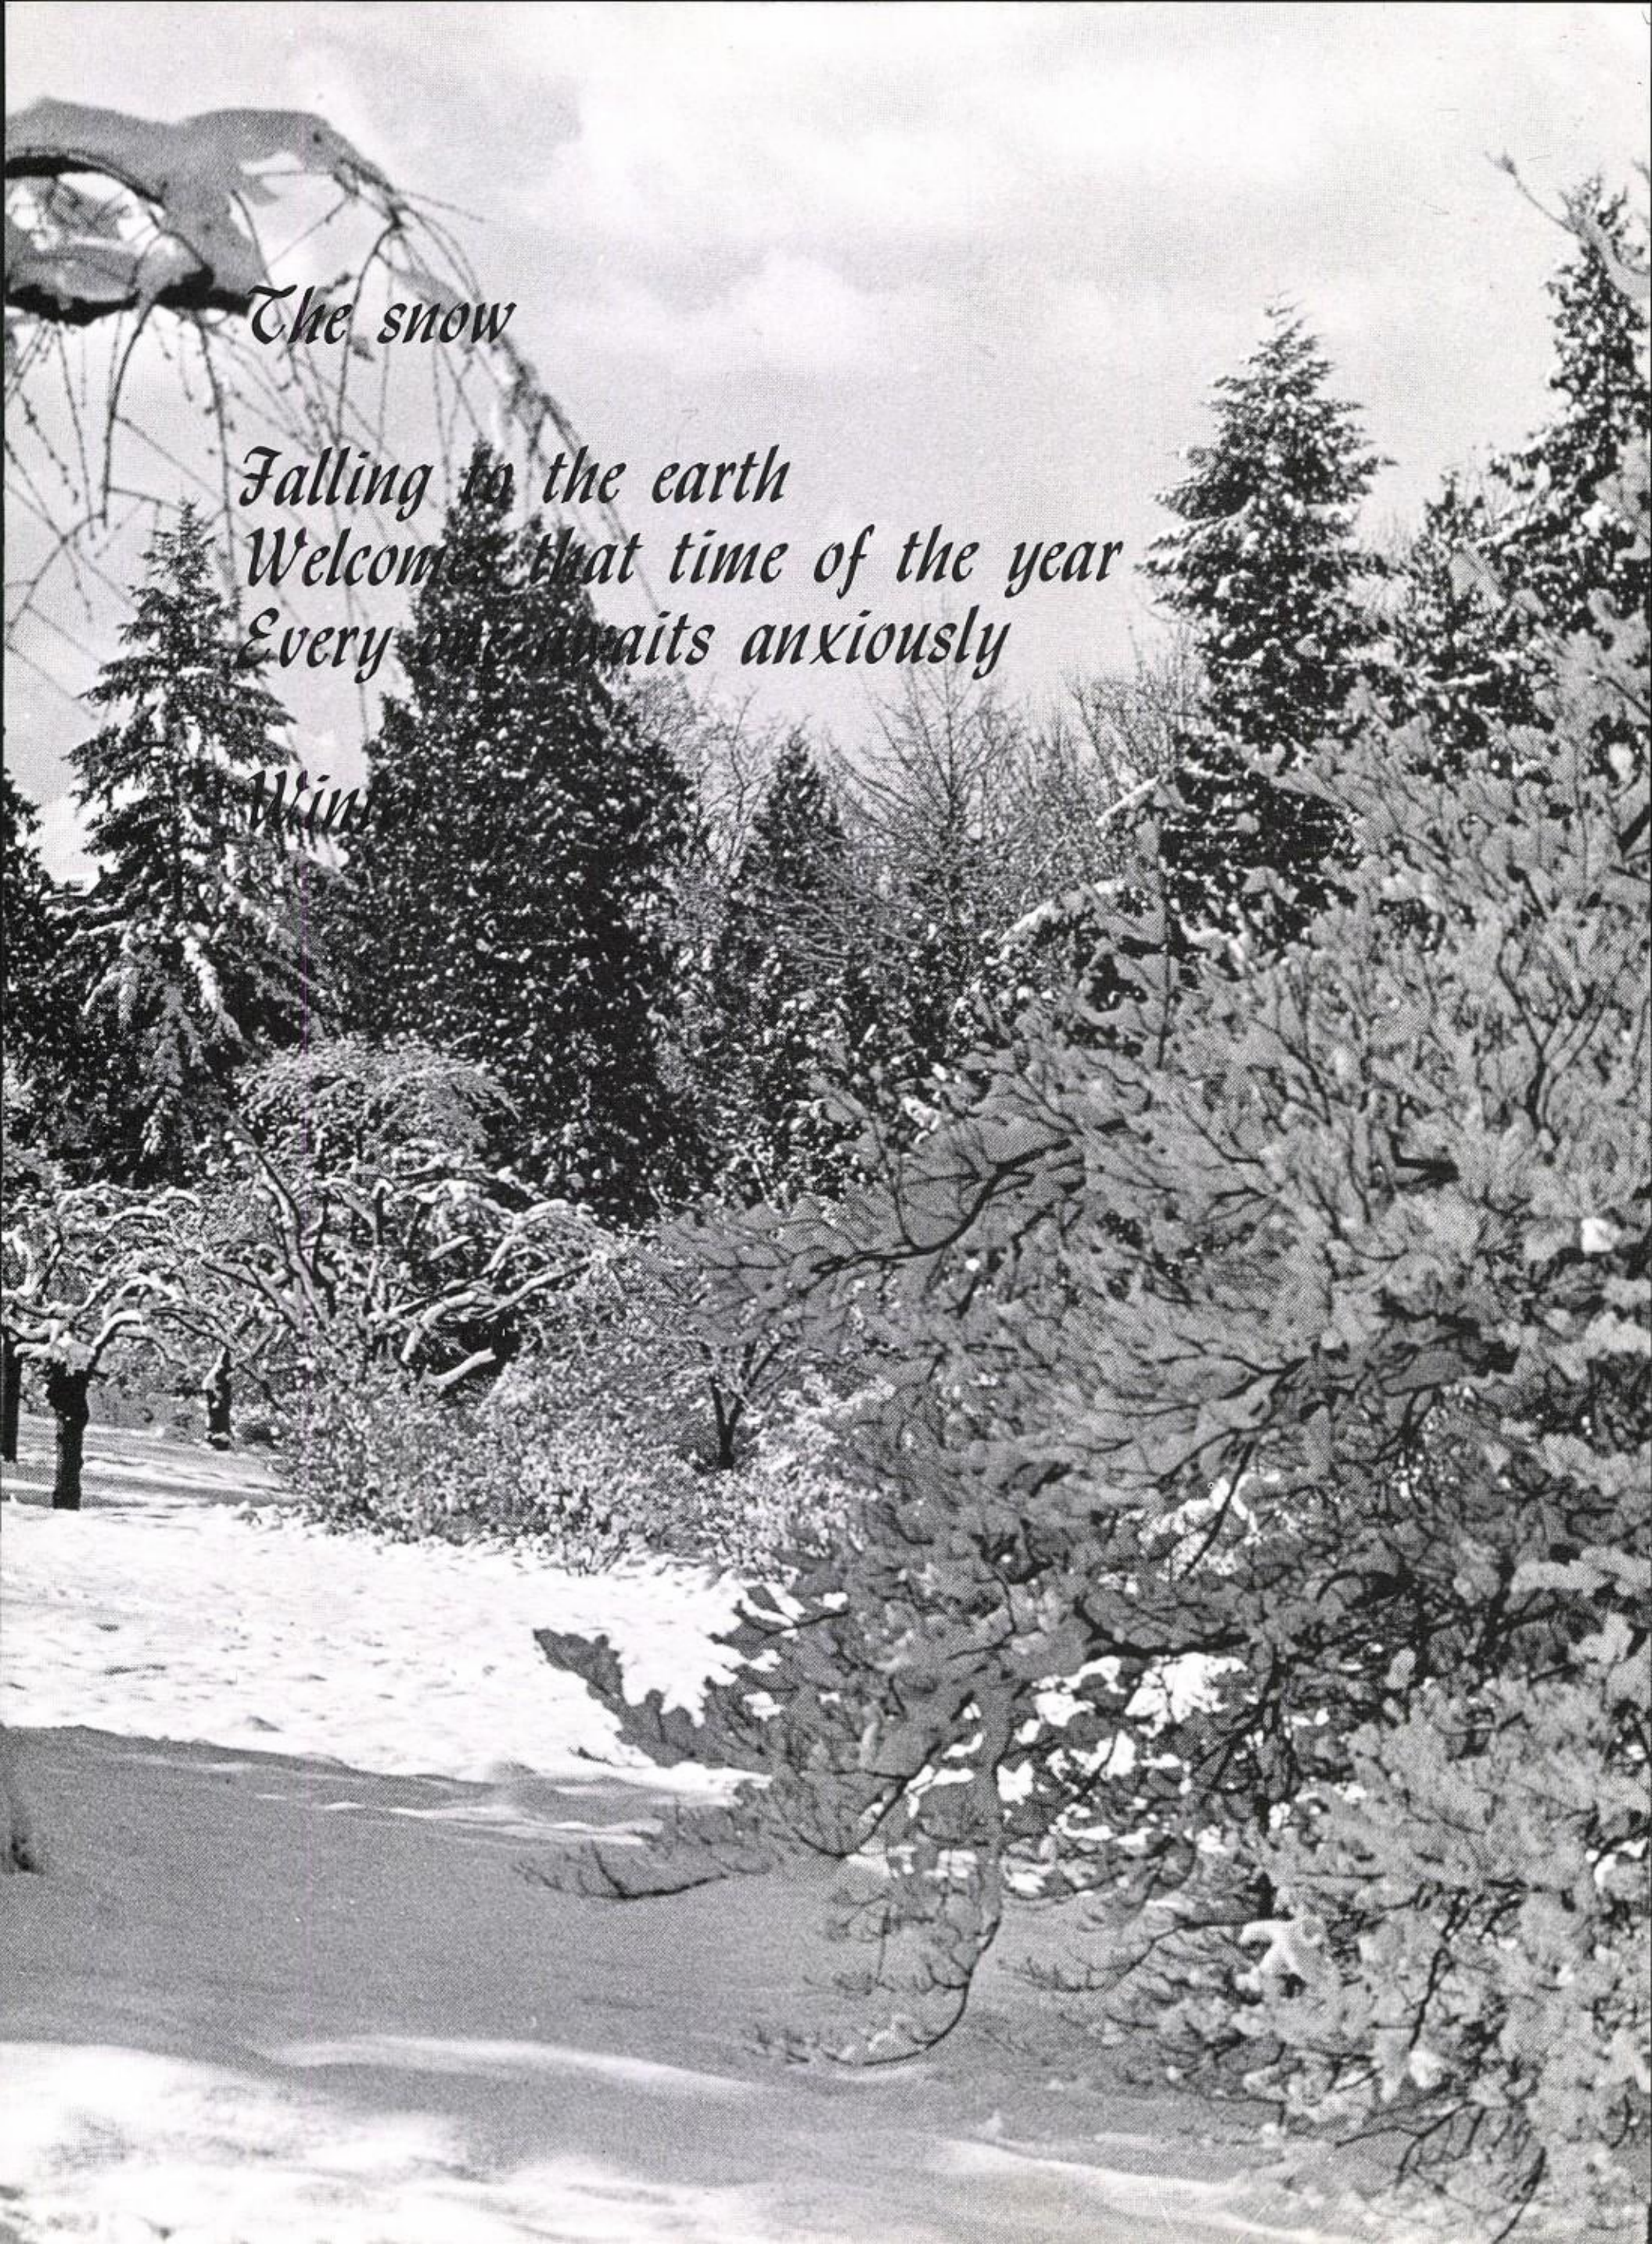

Ms. Barbara Starbird is a graduate of the University of Washington. She has taught at Mt. Rainier since 1958, and has remained here because she enjoys the students and staff. She has also formed a sentimental attachment to our school. When asked her first reaction to her first day at Mt. Rainier, she recalled wondering, "When will the construction be finished?" But even amidst the confusion of the new school atmosphere, she was given the opportunity to become acquainted with the students and faculty on a personal level.

Mr. Ernest Wanzer attended Western Washington University, Central Washington University, and the University of Washington. Mr. Wanzer has seen many changes since coming to Mt. Rainier. The most noticeable of which has been the growth, 200 students to 1200, and from one finished building to the campus we have now. He has remained at Mt. Rainier since its opening because the teachers and students have consistently strived to make Mt. Rainier the best high school in the state.

Ram Wrestling

Ram Wrestling this year provided able competition in both tournament and dual meet matches. Despite four weight class forfeits, the Ram grapplers kept the scores close. This factor and the general inexperience of the majority of the team members attributed to this being a rebuilding season.

Most outstanding were Junior Mike Mangrum and Sophomore Kenny Zwink. Both fared well in tournaments and meets throughout the season. In state competition, Mike Mangrum, in four state matches, outscored his opponents 79 to 10 points in taking the 129 lbs. state championship. Ken Zwink performed admirably in taking 5th in the state competition at 108 lbs. Other team members who had an especially good year were Senior Dean Wilson, and Sophomores Ycaza Williams and Bruce Budworth.

The Junior Varsity members who showed consistent efforts were Senior Mark Klatt and Juniors Bryan Budworth and Rob Nichols.

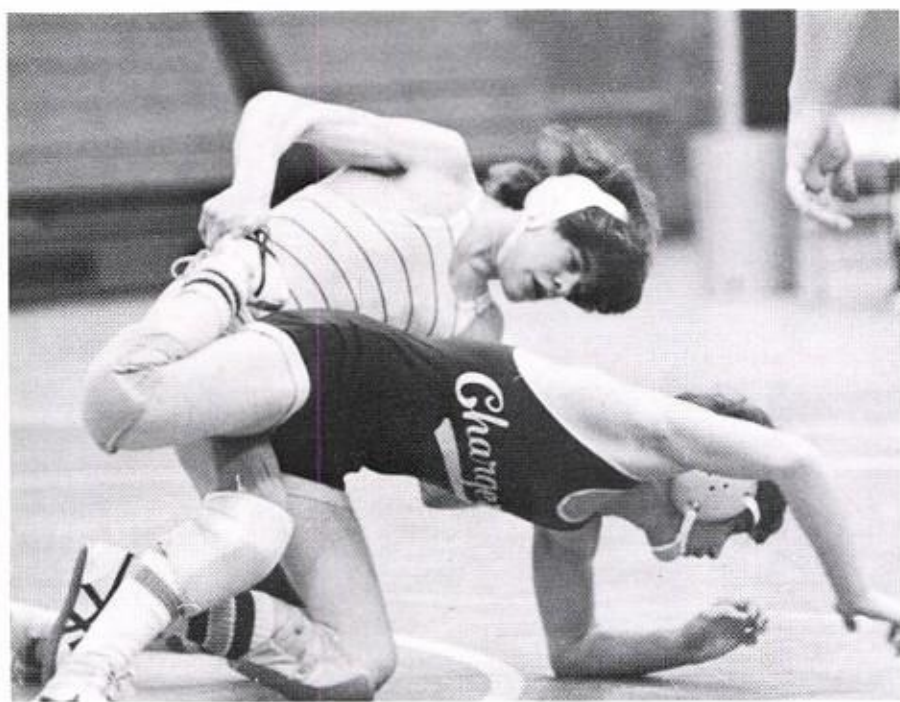

The Varsity team won the 8th Annual Mt. Rainier Takedown Tournament for the second year in a row.

The basketball season was a story of magic, a story about a group of people, who through unselfishness, love, hard work, and understanding of each other, put it all together as a team, to become champions. The championship season started with excitement in the first game, a Ram victory, and the team never looked back. They went down to defeat once, early in the season, but pulled together to win the next 14 straight. They met tough challenges. The challenges they remember were the tough moments. The moments of struggling from behind in games against Hazen, Kennedy, Kentridge, Evergreen, and Highline. They remember the big games won, Auburn, twice and Highline. They remember the feelings of playing basketball, the hacks on arms, the dives to save balls, the refs, the swishes, and the lay-ins made and missed. Most of all, they will remember the magical intangible things they put out together to make a team. It was the year of the Ram!!

Girls J.V. Basketball

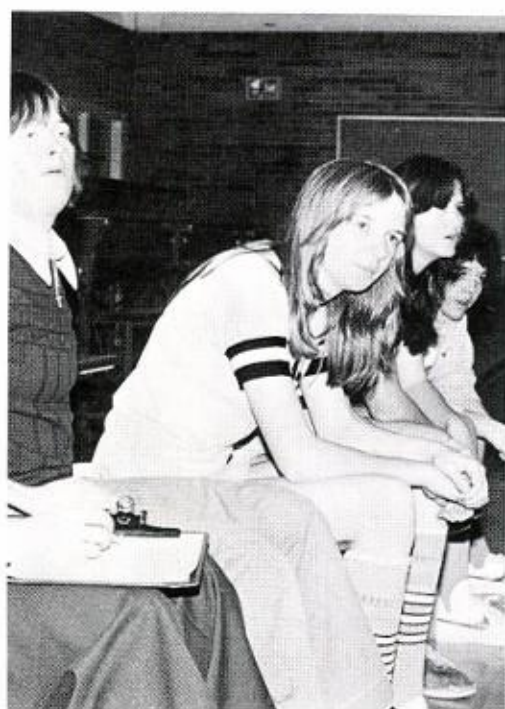

This year's J.V. team was made up of 8 fantastic people whose combined efforts brought them a season record of 15-4. Lots of hard work and effort helped them overcome the problems that often confront most J.V. teams. Good team spirit, as well as pride, enabled them to stay together as a team unit no matter what circumstances or odds they faced. This year's J.V. team was extremely versatile and skilled, allowing the coach to substitute without losing game intensity. Each player contributed equally to the success of our season. All players played good team basketball, and all should be proud of a winning season.

This years gymnastics team, with coach Paul Scott, had an uncertain beginning due to the coaches schedule. The team members improved all season and were able to fill-in in any spot by the last meets. They placed 4th in the league and 2 members went on to state competition. With the addition of a few people next year they should do very well.

Awards were given for most inspirational to Liz Allen and Natalie Belvill, most improved was Sue LaBounty, and team captain was Liz Allen.

SKY Club

Club members are Kathy Kennedy, Candy Smith and Marcie Dyrda. Not pictured is Carmela Robinson.

SKY Club is a new name for an old club. SKY Club, which stands for Special Kiwanis Youth, replaced Spades Club. This years SKY Club was not very big, but it was very active. Their project this year was to do volunteer work at the Kiwanis Activity Center for the Mentally Retarded in Seattle. Before beginning this work they spent four weeks in a special training program. After the training program SKY members worked with the mentally retarded in various capacities. Sometimes they helped by tutoring or teaching a certain craft or skill, but mainly their job was just to be friends to these people. SKY members put a lot of effort into the Club, but they also got a lot out of it.

Club Advisor is Ruth Arnold.

Honor Society

Honor Society is a service club open to all students who have maintained a 3.2 or above Grade Point Average with no D's or F's.

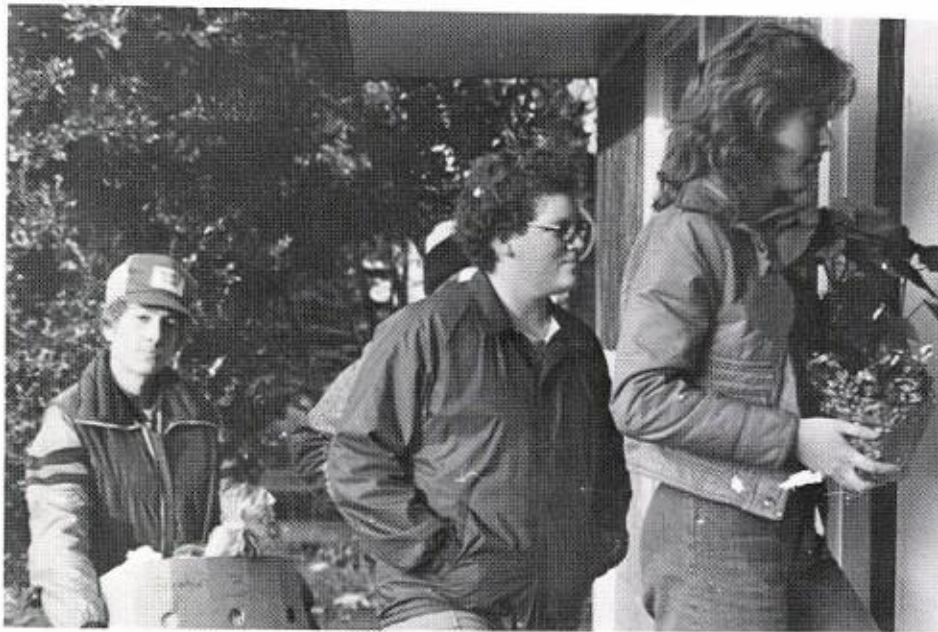

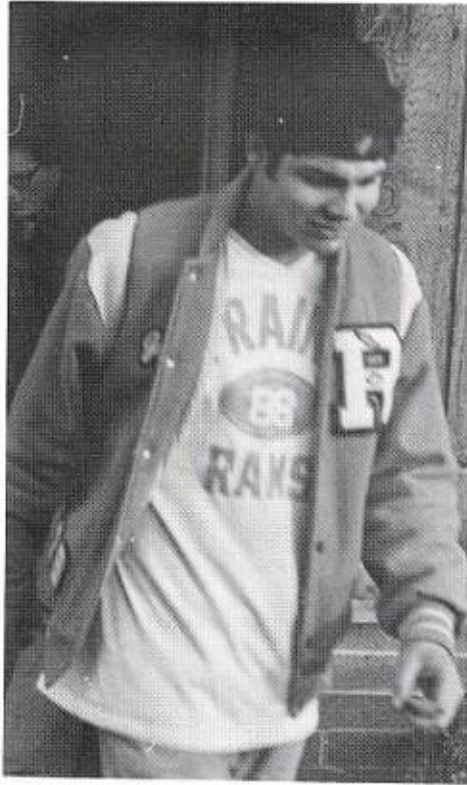

This years Honor Society worked hard to raise money to provide two \$150 scholarships for deserving Honor Society members. To do this they held various money raising projects including Bake Sales and Car Washes. Their other activities included sponsoring Operation Christmas and holding the annual Honor Society Banquet in May.

Vice President-Diana Daus, President-Brenda Odell, Treasurer-Becky Perrine, Secretary-Debbie Stineman.

Front Row: Rebecca Perrine, Brenda Odell, Ms. Starbird, Debra Stineman, Elaine Taniguchi, Craig Graves, Patsy Cambell. Sixth Row: Mike Wilson, Ken Steffenson, Ken Searcy, Bill Clos, Carl Whitney.

OPERATION

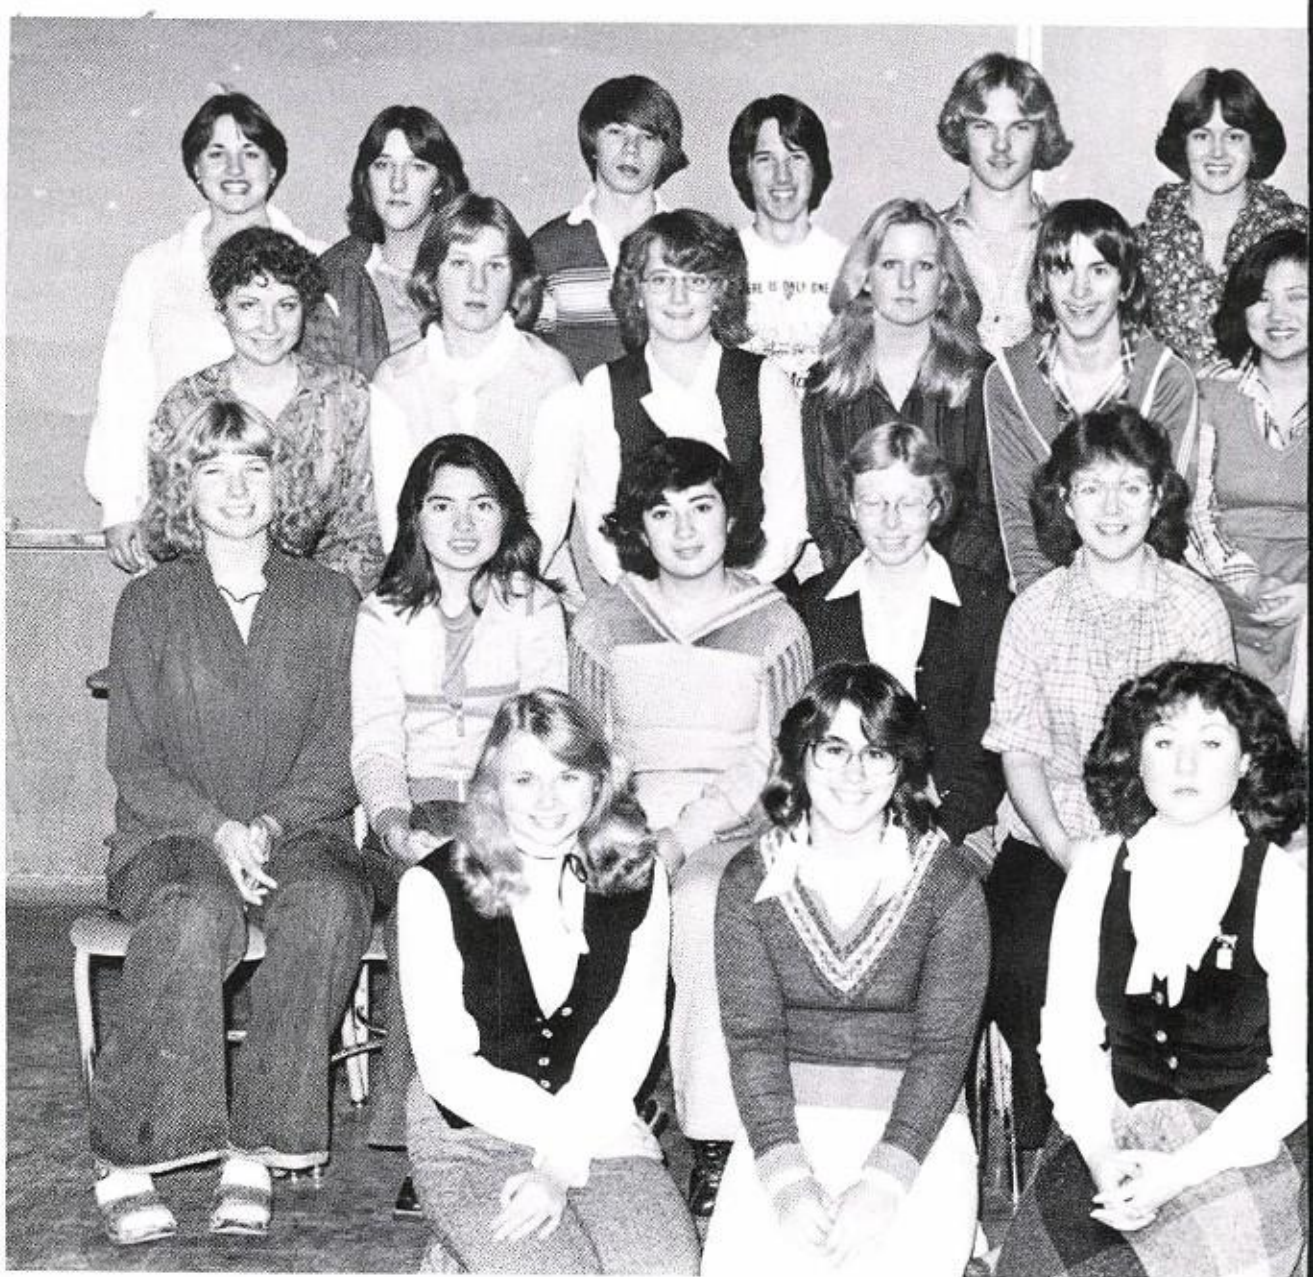

CHRISTMAS

This year Mt. Rainier students working through Operation Christmas provided food and presents for nine needy families in the area. A canned food drive contest was held between sophomores, juniors and seniors, with the juniors pulling an upset victory. To supplement the canned food that was collected, one hundred sixty-five dollars was donated by Mt. Rainier students to provide fresh food for these families. Once again Mt. Rainier students were able to bring cheer into the lives of many families at Christmas time.

Officers, Vice President- Bettyann Oldright, President- Dana Larsen, Sec./Treas.- Kelli Stemm. First row: Carrie Remington, Darinka Sandoval, Mirtha Laredo, Margaret Waller, Ann Stebeck, Brenda O'dell, Sherry Hicks. Second row: Lisa Cowdin, Nanci Tangeman, Laura Twidt, Janine Grandon, Jim Davies, Jane Wei, Heather Oie, Marcie Dyrdaht, Candy Smith. Third row: Cathy Wallace, Darcey Exley, Dwight Rousch, Mike Wilson, Eric Oman, Myra Connell, Lisa Axtell, Rana Davis.

INTERNATIONAL CLUB

International Club is open to all students who wish to be involved in meeting new friends from foreign countries as well as their own. Hosting an Exchange student for a weekend is a unique opportunity to travel without leaving home. That is what many Mt. Rainier students found out at this years Foreign Exchange Weekend. This entailed a potluck on the first evening, the next day Exchange students spoke to classes and that evening they attended the Foreign Affair. The Foreign Affair consisted of a Food Festival and entertainment by both Mt. Rainier students and Exchange students, this years theme was "It's a Small World After All".

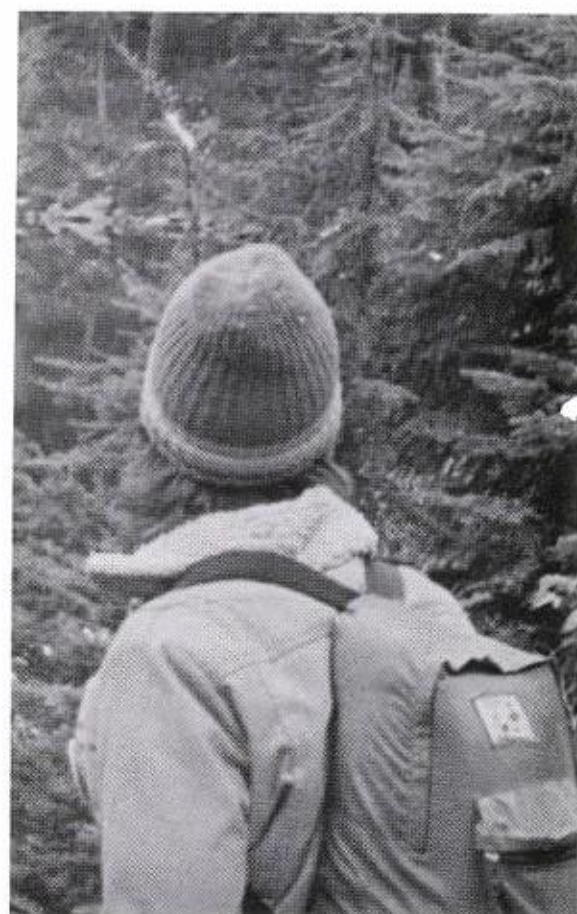

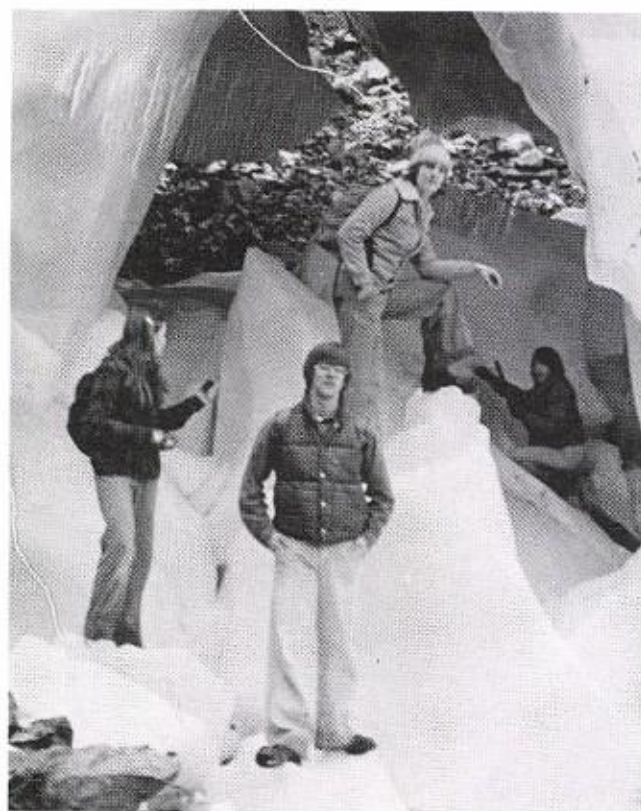

MOUNTAIN CLUB

Vice President-Brynne Pedersen, President-Sue Cole, Sec./Treas.-Sue Stark.

Climb a rocky peak, schuss down a slope, paddle through rapids (Lake Washington?)...you name it, Mountain Club's done it. The Club also spends a lot of time hiking, a more leisurely activity. The Club has provided an unique outlet for those interested in outdoor sports, but often lacking in transportation. The four-year old group has had many fun experiences this year, and possesses even higher hopes for future years.

Bottom row: Brenda O'dell, Nanci Tangeman, Janine Grandon, Sherry Hicks, David Ulfers. Top row: Carol Lawrence, Juli Fitzsimons, Margaret Waller, Jim Davies, Dana Larsen, Lynda Lyttle.

This year's Chess Club did an outstanding job. In the Triple-A league they were ½ point away from being the champs. This team had the ability to win with a great team effort. Mt. Rainier's Chess team went to State Feb. 23rd and 24th and finished in sixth place, with 28 teams competing. The team was coached by Mr. Ernie Ehinger. Great job, guys!

DECA '78-'79

DECA? Distributive Education Clubs of America. Distributive Education is a class for those students interested in today's business world. Mr. Kemp advised the club and classroom aspects of DECA this past year. This was Mr. Kemp's first year as club advisor.

Throughout the year both DECA Chapters, second and third period, were involved in competition with other schools in the state and services for the school and community. Such services were rings, caps, gowns, graduation announcements, ski swap, and the canned food drive. The student store was operated for the student body's needs. It had a new touch added which was more variety than just sweets.

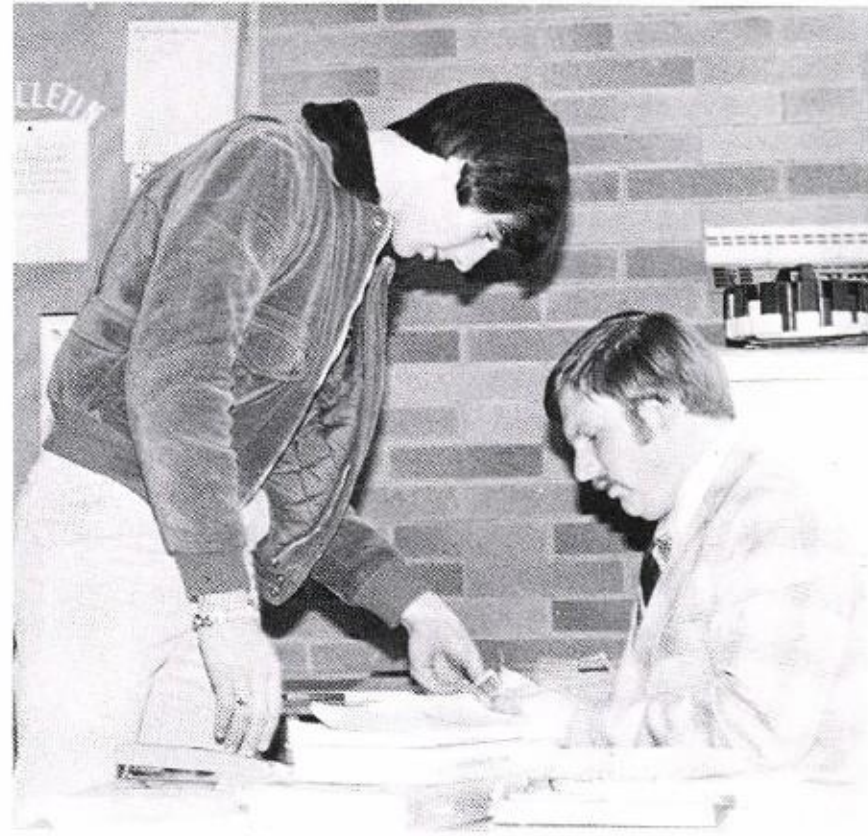

There was also another new addition to DECA 78-79. This was a first period class consisting of Sophomores and Juniors. It was a Prep-DECA class which will help the DECA Chapters in the coming years.

This years club officers were: President, Joel Dallen, Katrina Diamond; V. President, Sherry Gaughran, Janeil Miller; Secretary, Wendy Bjorneby, Paul Mueller; Treasurer, Kris Samac, Sharon Swift; Historian, Laurie Coleman, Neshella Jones.

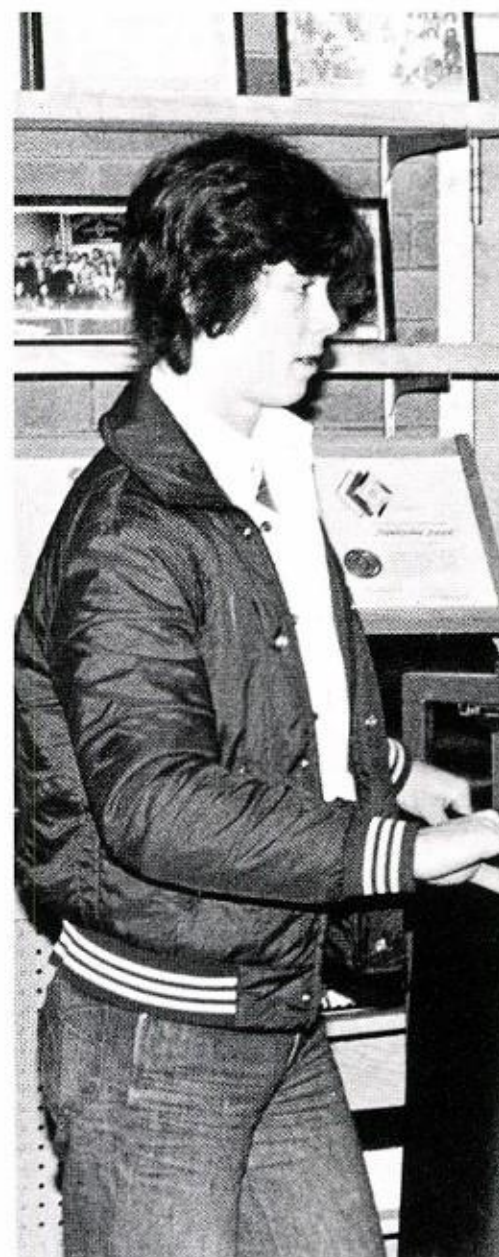

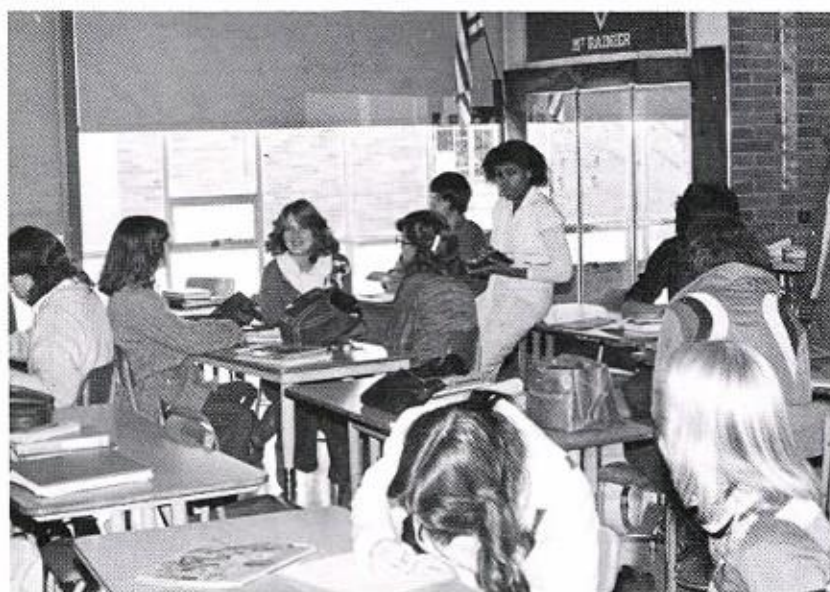

Congratulations for a year well done and good luck to the future DECA clubs of Mt. Rainier.

THIS IS YOUR NEWS STAFF

A "News Staff"? Is that what this is? Well, you have your opinion and they have theirs; but through all the "wild and crazy days" in the news room you begin to wonder if you're leaving with everything you had when you came in. Not that journalism isn't a class that requires work and frantic research to meet the dreaded deadline, but some of the unusual methods of releasing creativity that can be witnessed in the news room are beyond credibility.

Although the news staff could be classified as unusual and or different, Mr. Fagnan has led the Rams' Horn to be one of the best high school newspapers in the state (and at times, in the nation). The newspaper not only provides educational opportunities for students, but also contributes profits to the school.

The Annual Staff?????

Taking a trip?????

To Hawaii?????

With your annual money?????

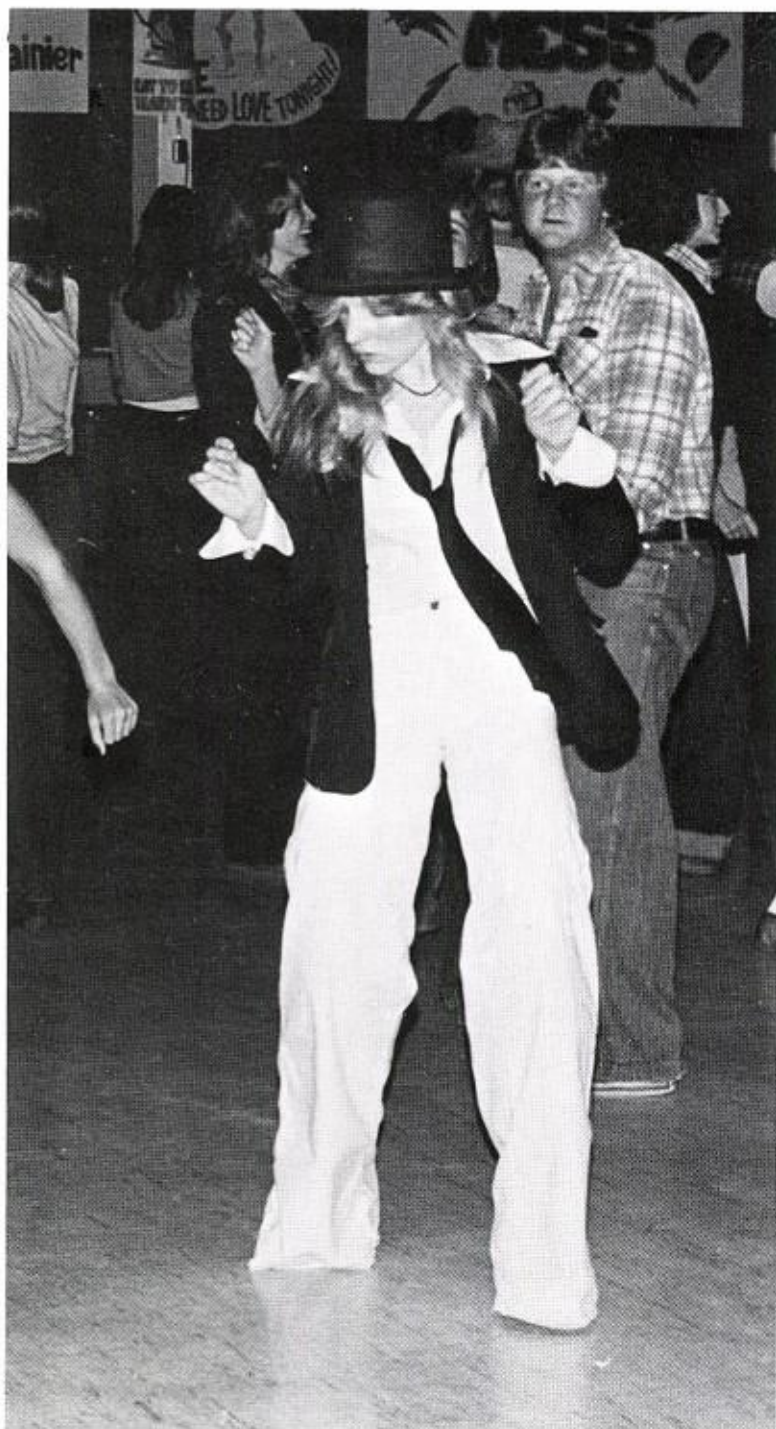

No, not really. Actually the money acquired from annual sales would just barely cover the cost of sending our luggage to Hawaii. However, it has been a "trip" putting this annual together. We have attempted to capture this years school events in words and pictures for you. The Annual Staff sincerely hopes this yearbook will provide fond memories that will last you a lifetime.

Annual Staffers were: Luann Bargmeyer, Shari Barnes, Wendy Bjorneby, David Brand, Leslie Carter, Laurie Colman, Tami Conrad, Chris Dahline, Shari Day, Marcie Dyrda, Michele Kavanaugh, Nancy Malmo, Betty Ann Oldright, Eric Oman, Mary Peterson, Linda Pierce, Carrie Remington, Lynda Thompson, Karen Warner. Mr. Gene Sartore was the staff advisor.

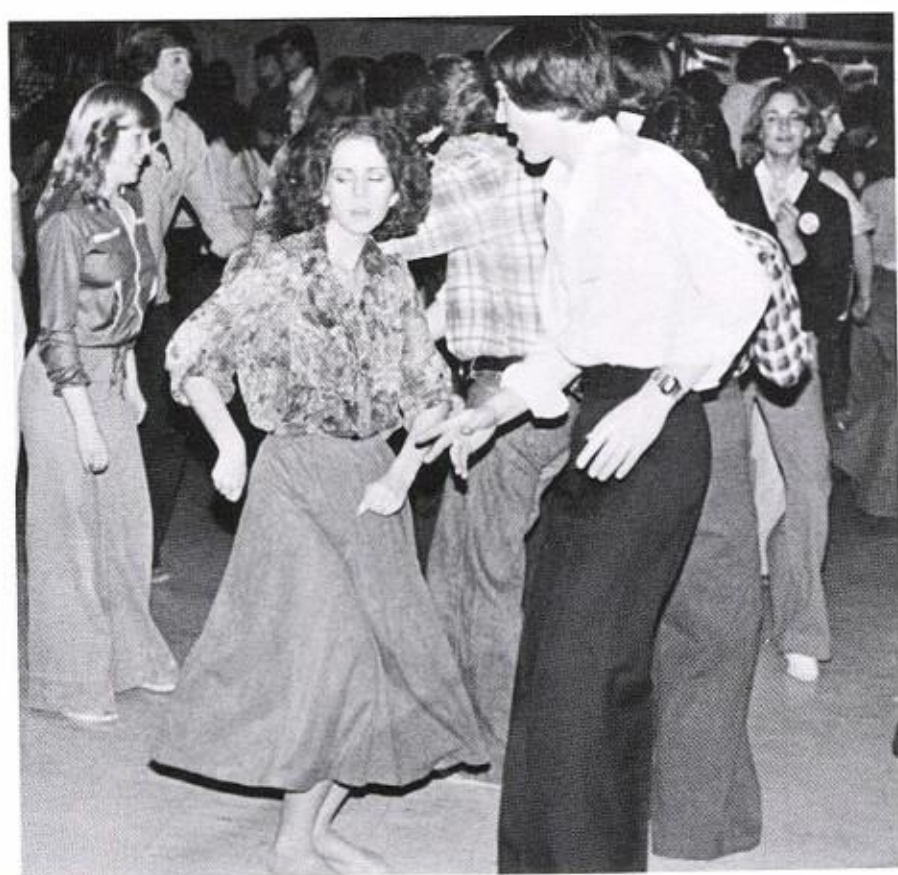

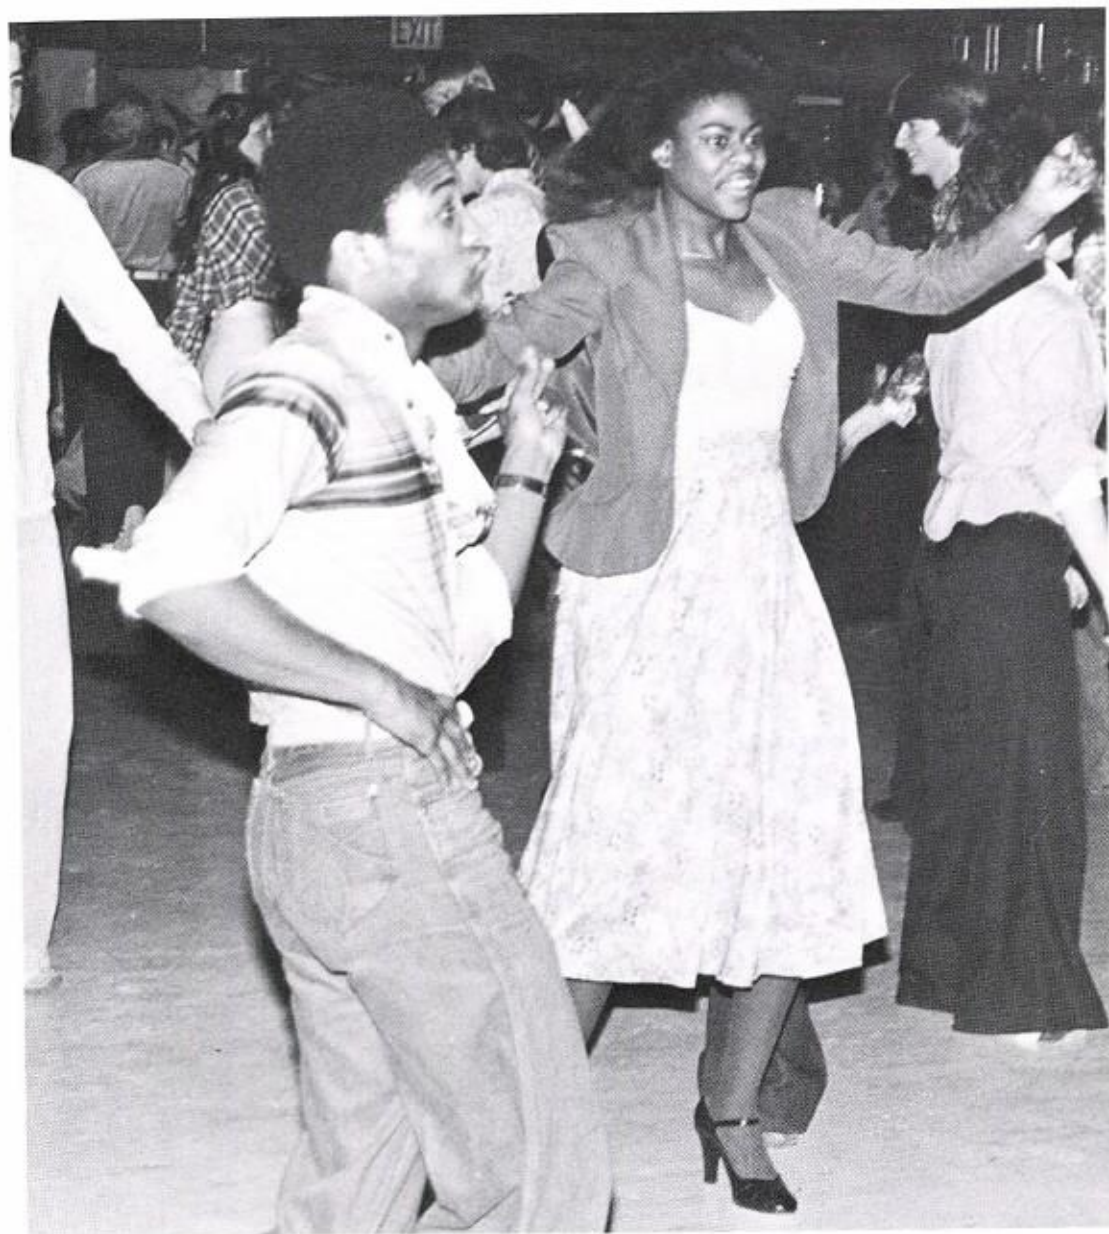

What would you call a dance...
 ...held on the night of January 25, at the end of the first semester?
 ... costing a mere 50¢ for admission with A.S.B?
 ... featuring unusual head apparel compliments of Steve Martin and the FIZIKS class?
 ... starring Mark the Spark with his rockin' disco system?
 Why, of course! It would be called a...

... WiLd and CrAZy Dance!

Scores

The varsity tennis team had a good time on the courts this year regardless of the weather or who they were playing. The team was inspired and led by Karla Hovland and Sue DeMeerleer who did an excellent job in NPSL, West Central and the State Tournament. The tennis team carried the spirit of '79 by having one of the most successful seasons in years.

Ram Track '79

The effort put forth by the Ram Track team of '79 showed great talent and enthusiasm. Though in the official statistics Ram Track did not come up as dominating the field, the team did show others that Mt. Rainier had potential and was willing to work to attain their goals.

In personal as well as team achievements, two new records speak for themselves. John Webster, senior, broke the previous school record of 22.2 in the 220 Dash with a time of 22.0. Dean Wilson, also a senior, vaulted 13' 10½" breaking the previous record of 13' 10". These personal achievements combined with the entire teams sportsmanship resulted in fourteen athletes qualifying for West Central District, and the two record breakers went on to compete in the State Championships.

Coach Cordes and the Ram Track Team of '79 deserves a round of applause from the Student Body of Mt. Rainier for doing their best at representing them on an around the field, and what a job they did!!!

Ramtrack

The 1979 Ram Track team was a young team. Sixteen of the members were either sophomores or juniors new to the program with only ten girls returning from the previous season. Despite their youth, the season went well, with a string of successful accomplishments. Five school records were broken. Eighteen girls qualified for the NPSL conference meet while two girls, Leanne Malmo and Joni French advanced into the state meet to take on the state's most skilled competitors. In two major track events, our team took fourth in the NPSL, and third in the Highline relays. Mt. Rainier's team of Pam Gossman, Joni French and Crystal Hamilton also set a new shot put records in the Highline relays. Young competition and high ambition combined to form a truly successful season.

Now, that's teamwork!

Rams take the lead.

Softball was added to the list of girls' sports this year. Thanks to the excellent coaching job of Coach Flynn, Mount Rainier did a super job with an 11 win 7 loss record for the season. Coach had to reword his vocabulary from "Atta boy" to "Atta girl"! After this was achieved, he taught the team some words relating to the sport, such as, "tater" (a big hit), "bingo" (a base hit), "bush" (no cla and a "little vinegar"! The learning of a New Zealand cheer "Hip-rah Hip-rah" made the team unique. At the softball bar-b-que, the following girls received special recognition: Diana Bergstrom for Captain, Bonnie McGrath for Most Inspirational and Cindy Breed and Kathy Unser for Most Valuable Player!

The endless eight weeks of hard rehearsal accompanied with blood, sweat, and tears paid off on the four magical nights of May 23, 24, 25 and 26th for the fifty member cast of "Li'l Abner". Their outstanding display of talent directed by Michael Fuller and Bob Cuffel was with approximately fourteen hundred people within the four day time span. "Li'l Abner" grossed over twenty three hundred dollars — more than any other musical performed at Mt. Rainier.

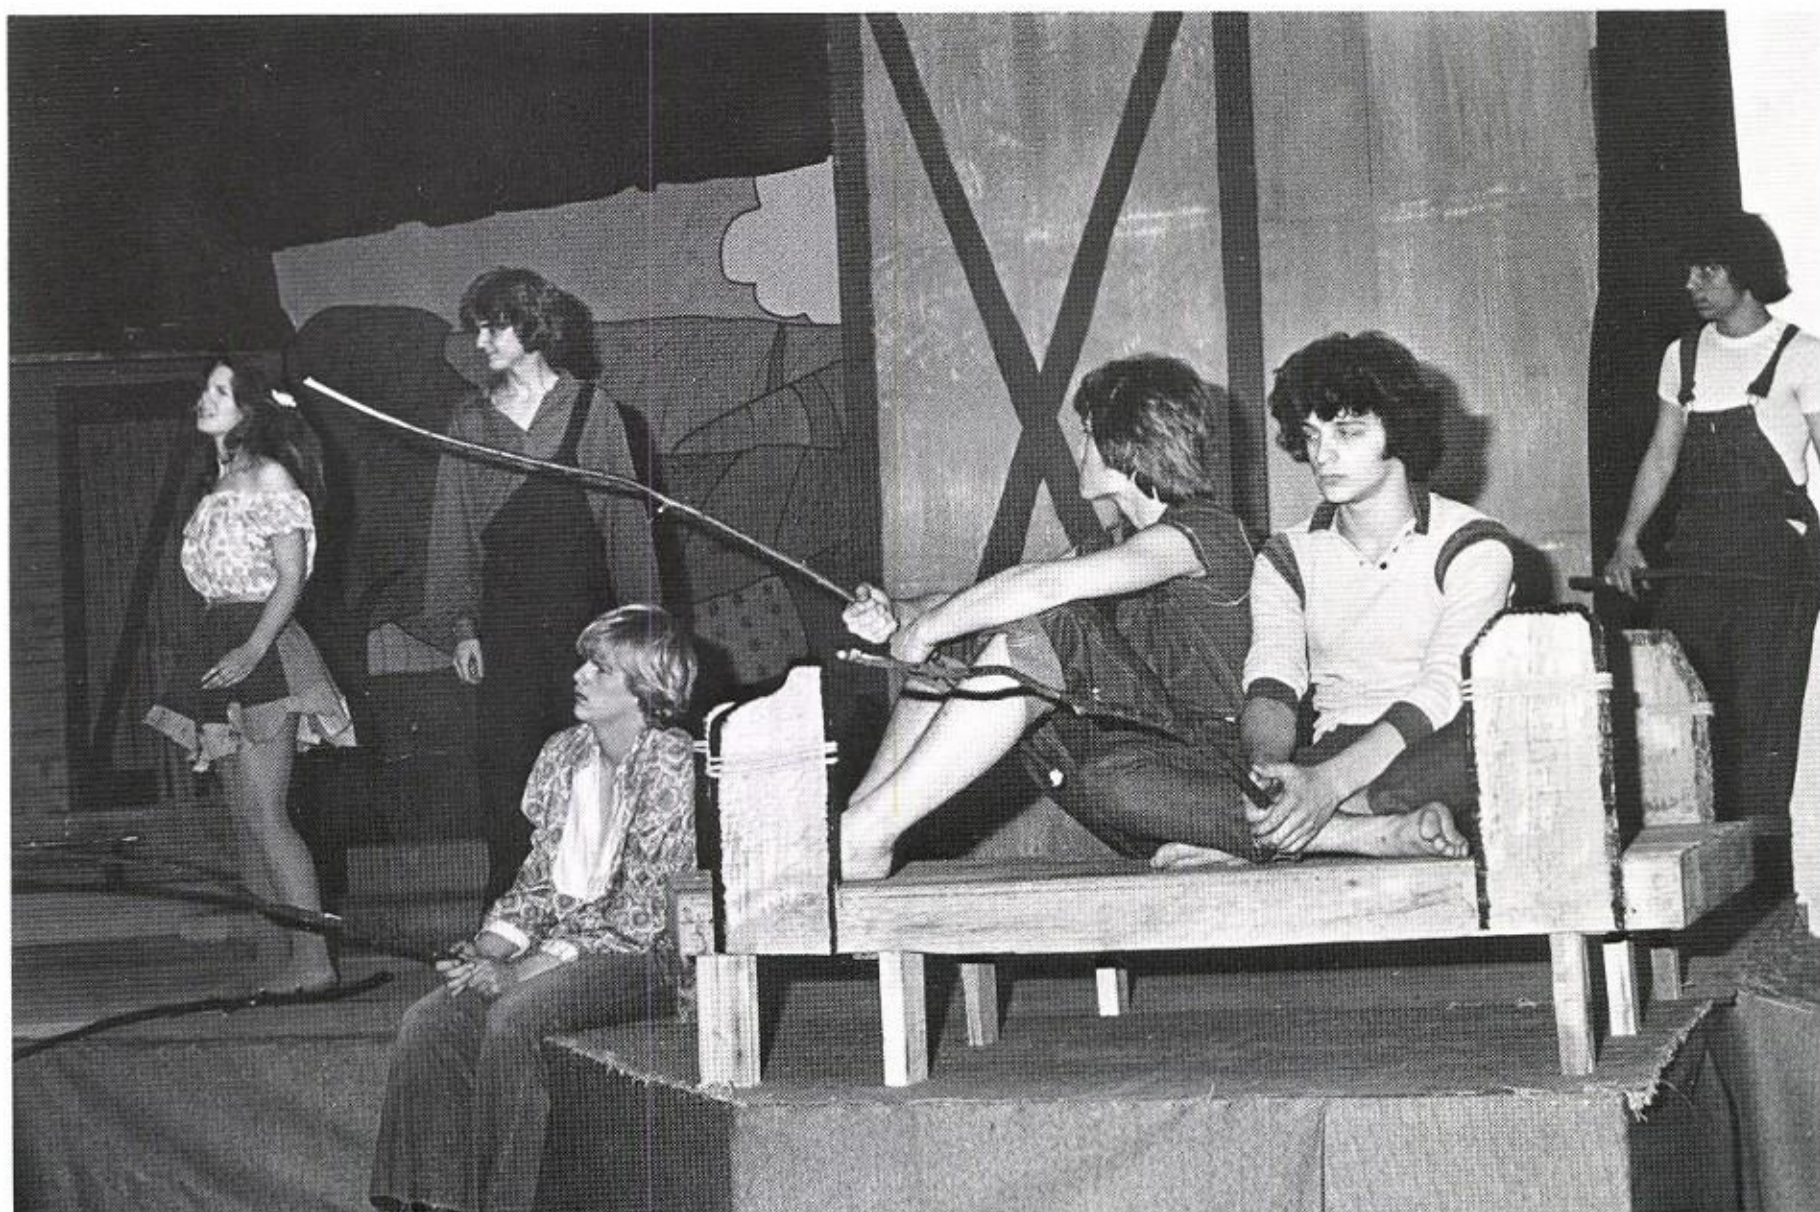

However, this show will be remembered not just for its professionalism; it will be remembered for the unity which developed between over 150 people who put their unselfish time into a definite success.

Meetings Make It Happen

The voice of the people.

Meetings boring? ... Never!

... Off To A Running Start ...

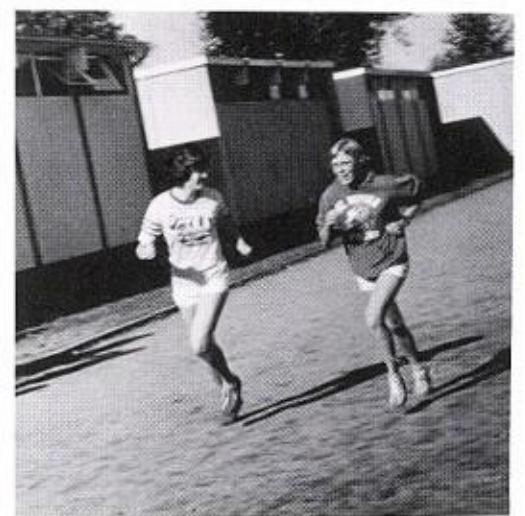

The Jog-A-Thon was the biggest money raising project ever attempted by the Mt. Rainer A.S.B. It was a fabulous success. There were approximately 150 students involved in running which resulted in a gross of about \$5,000.00. That's what one calls a real team effort!

Me first! Me first!

I think I'm stuck!

... Campus Clean-Up ...

Brynne Pederson shows her spirit.

This year the A.S.B. made a concious effort to improve our educational environment. As a result, the district administration allotted Mt. Rainer \$700.00 to assist the student body purchase beauty bark and materials for general campus improvements. Overall the combined effort of the students and faculty resulted in a great success.

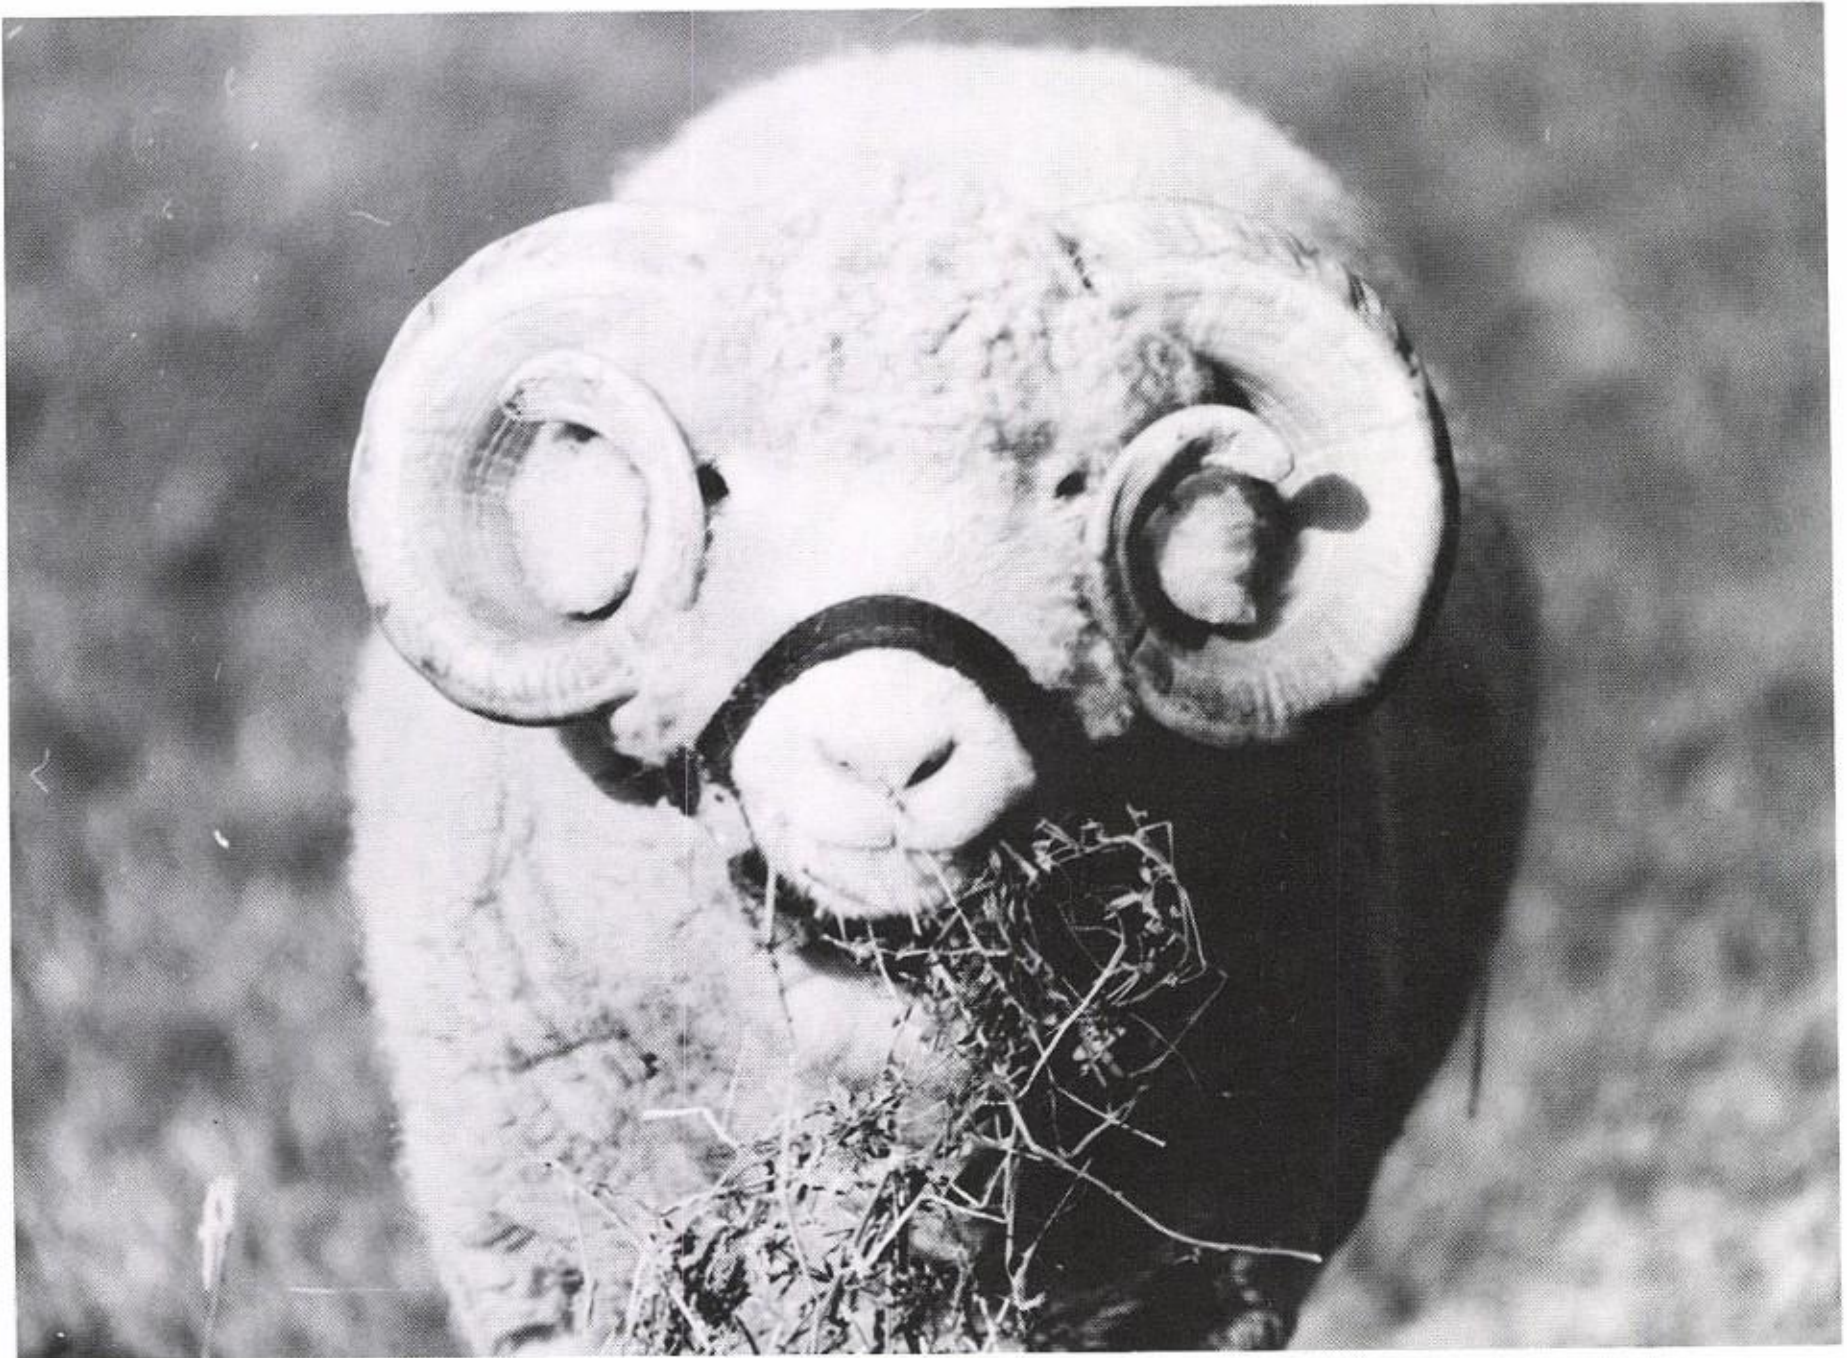

... Assemblies ...

Seniors set the pace.

Ajax V

Ajax V was purchased by the 1978-1979 A.S.B. last summer. Ajax has done a great job representing Mt. Rainier as our mascot. He appeared at many games and assemblies adding a special highlight to these events. Right from the start, he captured the hearts of Mt. Rainier students. We love our Ram!

Talk Of The Town

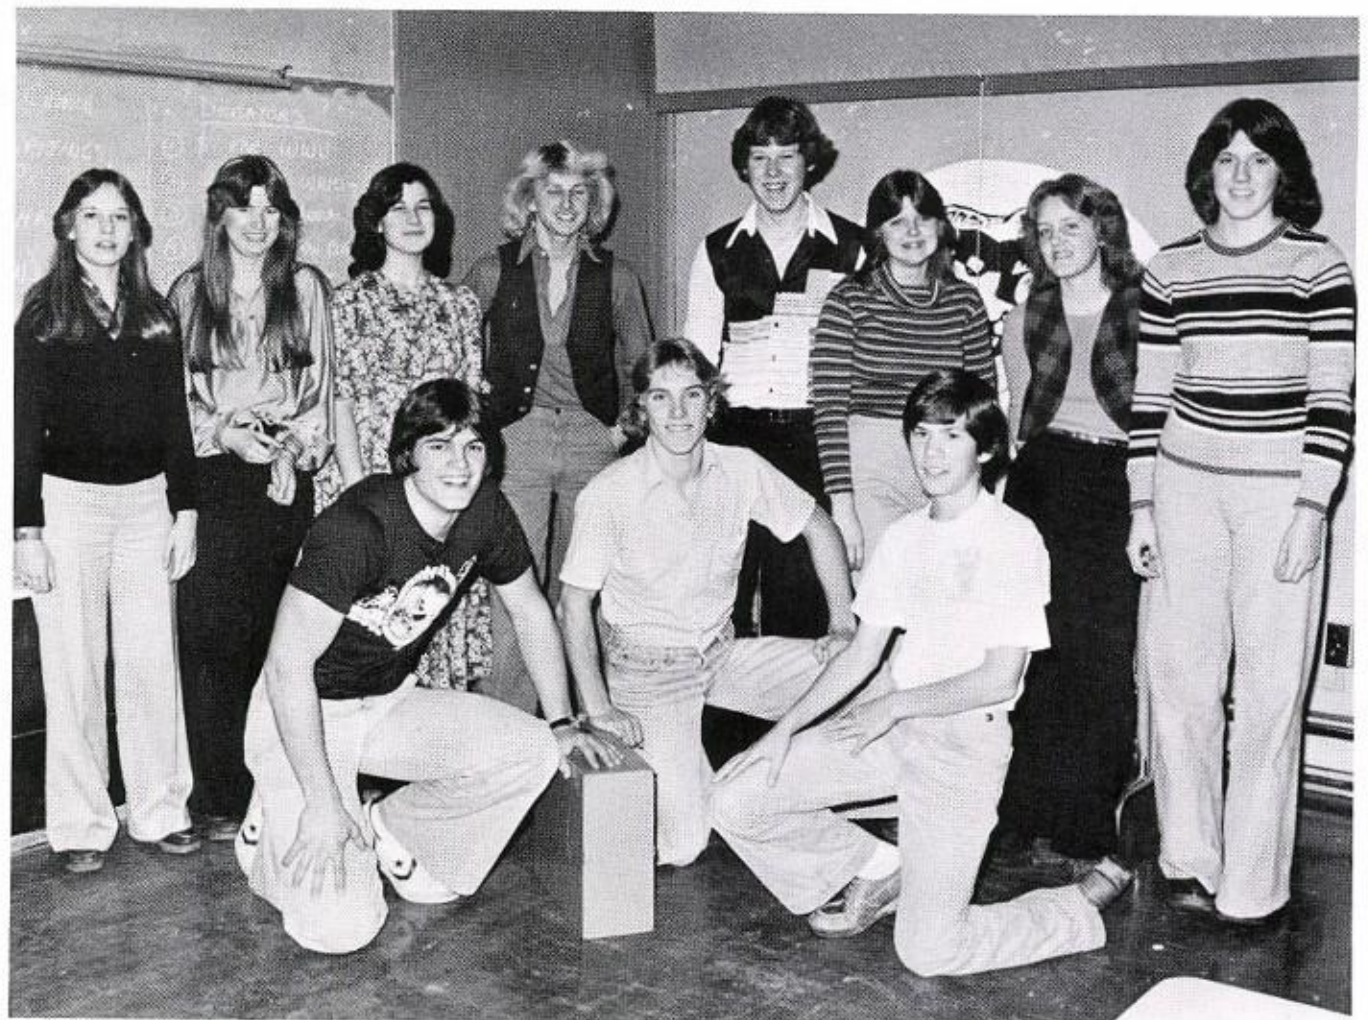

From left to right: Becky Perrine, Tami Conrad, John Rogers, Brynne Pederson, Mary Pratt.

What a profile!

This year the Contest Speaking class showed off their tremendous talent at several tournaments. These included Puyallup, Western Washington University, the University of Puget Sound, and several league competitions. Ram speakers participated in many events, including: Debate, Extemp. Expos, Interpretive Reading, Oratory, Dramatic Interp, and Impromptu. The many trophies and awards that the team received this year can be attributed to diligent work on the part of the class and the dedication and patience of their coach, Mr. Louis Pappas.

Exploring Childhood

You know those short people that go tearing through the halls of Mt. Rainier? Most of us have come to believe they are Sophomores. Actually, they are Mt. Rainier's own Kindergartners. Two days a week, Mt. Rainier students, under the guidance of Mrs. Paula Craig and Mrs. Karen Albrecht, take into their own hands the responsibility for educating these tykes, also known as "Youngers." This unique experience is referred to as Exploring Childhood.

Main Office

Mrs. Wren is in charge of the main office this year. Everything is left up to her. When someone comes in looking lost, her friendly smiles and, "Do you need some help?" always seem to do the trick. Thanks for doing a great job!

O.S.C. students are never short-changed.

Carpentry and Cashier Checking are two courses that students at O.S.C. really enjoy. They learn many skills that are needed to go into future study of these fields. Determination is needed to go further in both, because of the goals that must be set by each individual person. O.S.C. is worth looking in to! Try it !!!!!

I sure hope this stays!!

Students who would like the necessary background to go on to future training in these fields, R.N., LPN, medical technician, x-ray technician, or physical thereapy, should look into it at O.S.C. It's a good backbone for a worthy occupation. It is a one-year course that offers experience to obtain clerical employment and a basis of responsibility held by all people studying and performing medical assistance. This course covers many different views on the ways of studying the art of medical assistance and fields that come in close contact with it. During the final quarter of the year, students are placed in a field experience where they receive on-the-job training, or they are placed in clinics, hospitals, and doctor's offices, on the basis of skill and attitude they have demonstrated in the program.

One out of every six people are in food industry jobs. The Commerical Foods program offers the background of, waiters, waitresses, cooks, chefs, pantry workers, hostesses and managers working in restaurants, clubs, hotels, and institutions. In this program, food preparation and service is stressed by actual, practical experience. Breakfast is served to the public Tuesday through Friday. The main objectives in the class are entry level skills, additional training, and rapid advancement if employed. Eat your heart out M.R.!!

Such poise.

Visual Communications is a two-year course for Juniors who are willing to commit themselves. Each student has four areas of visual studies which includes: Commercial Art, Offset Printing, Closed Circuit T.V., and Photography. These are all covered in the first year and the following year one subject is pick to develop his skills and which he would like to specialize in. As a Senior he develops job-seeking skills such as, preparation, interviews, basic vocational English skills. Completion of the course then leads to needed job skills, basic entry-level and he may pursue a job or go for further training. Go for it Juniors!!

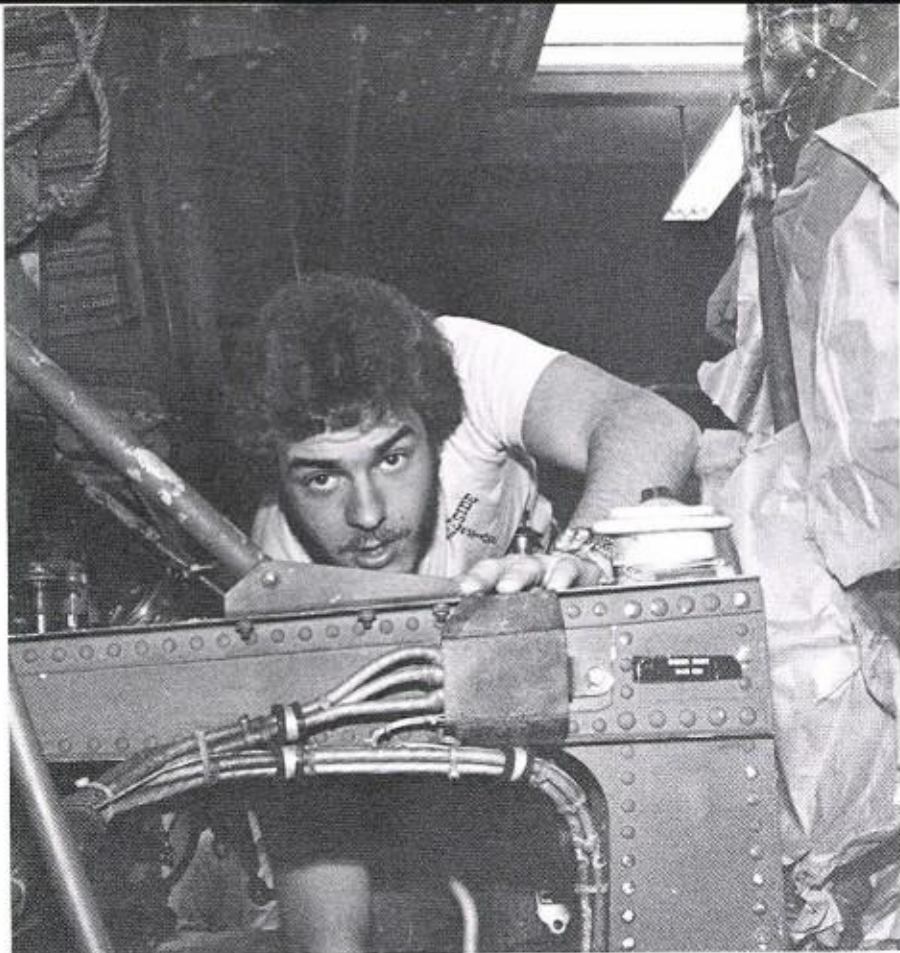

Deep concentration.

Lets hope it works!

Highline High School And South Seattle Community College

There are two other groups that rarely receive recognition; the electronics course at Highline High School and the Aviation course at South Seattle Community College. Students from Mt. Rainier have been going to these off-campus courses for a number of years, but they are not widely known. The Electronics and Aviation courses prepare the students for future careers. These are great classes and we saved this page just for them!

Who knows what Carl is doing!

Hold it right there!

It goes where?

FBLA, Future Business Leaders of America, is a specially funded club intended for students who are seeking careers in the business field. The club competes on a regional, state and national basis in several skills areas. These various areas are in typing, shorthand, filing, and business machines.

The club has been involved in a number of activities this year, including the student directory, a cake baking contest, Santa-grams, Vala-grams, organizing the basketball programs, and participating in a jog-a-thon.

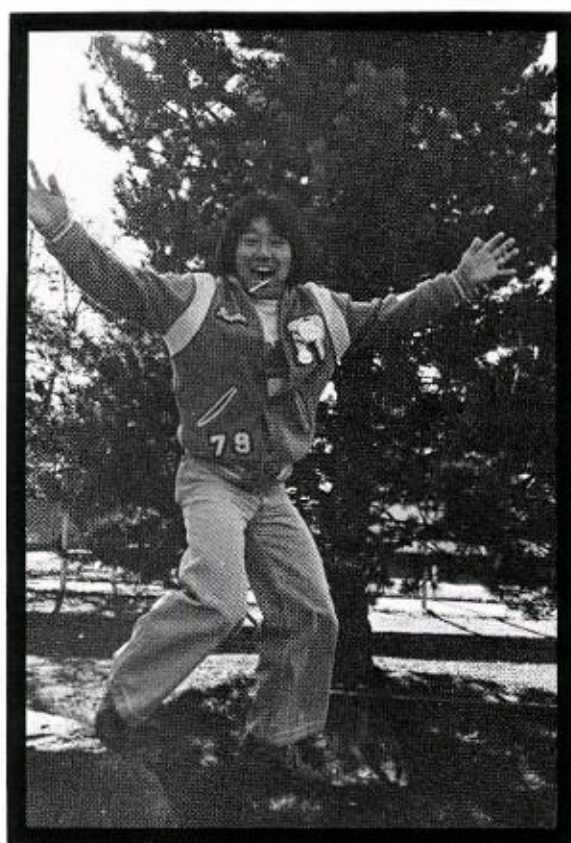

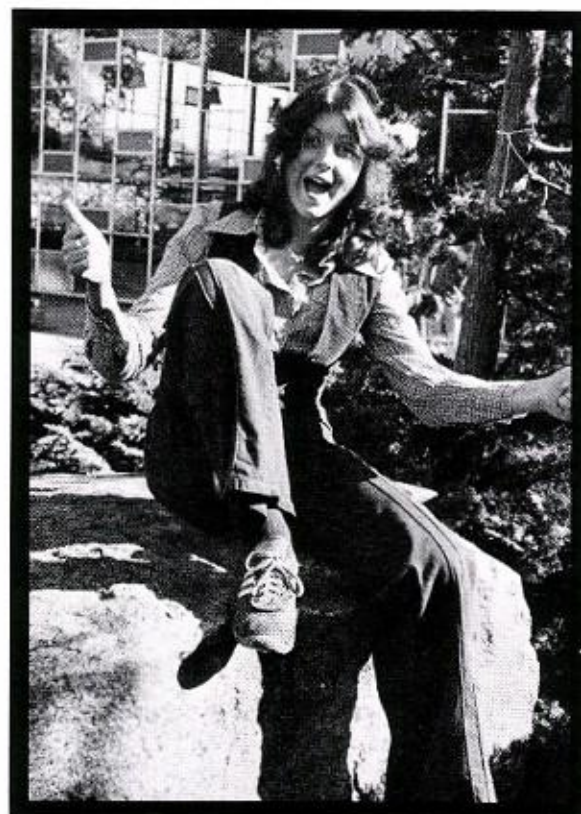

The money that is earned through these activities is used for three \$100 scholarships, given to the March-of-Dimes, and it also pays the tuition for the members to compete in the state conference.

TOR TALK

For twelve long years the seniors had gathered together the knowledge of the world and it was now time to reap the fruits of the harvest. Some were to set forth for the great universities while others would become tillers of the soil for this was the time of the departing of the masses.

It is written that all things shall pass, and so too had the years of high school. The great day was now upon the seniors and they left the land with tears and jubilation.

Their lessons had been learned and the books were closed . . .

. . . and it was both the end and the beginning.

Annual Staff felt privileged to have been able to help preserve the memories each student had of their 78-79 year, here at Mt. Rainer. You may ask how 19 confused people managed to organize a yearbook that was actually printed right side up. Admittedly, we had some help. This years Annual Staff would like to express their gratitude to Mr. George Somoff and his assistant photographers Mark Oswald and Donn Northquist, for their patience, effort, and terrific pictures! Also, many thanks go to Mr. Jim Palm, field supervisor, who put many hours into this annual. The Annual Staff would like to give special thanks to our beloved leader Mr. Gene Sartore , the mastermind behind the operations. We greatly appreciate his advice, patience and all his hard work! More than likely this yearbook would not exist without the assistance of these dedicated individuals.
